LBJ, Nixon To Meet

By The Associated Press
Richard M. Nixon has given himself at least a month to choose his top administrative officials and has deferred to President Johnson a decision on visits by the president-elect to Saigon and other foreign capitals

before the inauguration.

The Vietnam trip, proposed Thursday by South Vietnam President Nguyen Van Thieu, would likely come up in an anticipated early meeting between Nixon and the President.

And while Nixon rested at his Key Biscayne, Fla., retreat, officials counted the final few ballots in elections still undecided. Nixon has been credited with 287 electoral votes—only 17 more than a majority—on the basis of unofficial returns, although he could pick up more when absentee ballots are counted and official results are announced.

Banker Pays \$50,000 Ransom

LIMA, Ohio (AP) — A man kidnapped the 11-year-old daughter of a bank president by locking her in her room Thursday and threatened her harm until he collected a \$50,000 ransom.

He was hunted today by police and the FBI.

Police Chief William K. Davenport said Mrs. A. D. MacDonell Jr., wife of the president of the Metropolitan Bank of Lima, paid the ransom and found her daughter Amy unharmed at home, police said.

Mrs. MacDonell told police she encountered the man, wearing green overalls, knitted cap, penciled-on mustache and sunglasses when she returned home Thursday morning after taking her son to school.

She said the man told her he had locked her daughter in an upstairs bedroom and threatened to harm the child if Mrs. MacDonell did not give him \$50,000.

Davenport quoted Mrs. MacDonell as saying the man instructed her to cash a \$50,000 check at a nearby branch of the Metropolitan Bank, then wait there for a phone call.

She told police she followed the man's instructions, and when he called she was told to borrow a bank employee's white convertible and drive back home.

Police said the man flagged her down about two blocks from her home, took the car and the money and told her to walk home.

Mrs. MacDonell said she found her daughter at home, unharmed.

Police and FBI officials put out an alert for a man about 36 years old and 5 feet, 9 inches tall.

Weather

ESCANABA AND VICINITY—Cloudy and cool today, tonight and Saturday with chance of snow flurries. High today about 38, low tonight, near 30 and high Saturday, 35. High yesterday, 39 and low overnight, 32. Sunday outlook: cloudy and cool with a few snow flurries. Winds northerly, 10 to 18 mph, today; 5 to 12 mph, tonight; north to northwest, 10 to 20 mph, Saturday. Precipitation probabilities: today, tonight and Saturday, 30%.

Thieu Proposes S. Viet To Replace U.S. At Talks

Bombers Raid Camps To Halt 'Total Attack'

SAIGON (AP) — Waves of B52 bombers raided enemy base camps along the Cambodian border today, hitting an area northwest of Saigon where the South Vietnamese commander said the enemy has massed some 60,000 troops for a "total attack."

Fifty of the eight-jet bombers dropped 1,500 tons of explosives on troop concentrations, base camps, infiltration corridors and supply depots in eight missions between noon Thursday and noon today, the U.S. Command said.

Massive Destruction

The B52s bombed about 60 miles north-northwest of Saigon, five miles from the Cambodian border. The area is in War Zone C, a longtime Viet Cong stronghold.

Military spokesmen said that infantrymen following up B52 strikes Tuesday 35 miles west of Saigon found about 200 enemy fortifications were destroyed by the Stratofortresses.

Crews returning from two raids along the Cambodian border Thursday night reported their bombs set off 49 secondary explosions, indicating massive destruction of enemy munitions stockpiles.

Earlier today, Lt. Gen. Do Cao Tri, commander of the 3rd Corps area, said that stretches through Saigon to the Cambodian border, said the Communist command was preparing to launch an all-out attack in his area.

Tri told Vietnam Press, the government news agency, that according to intelligence documents, the enemy is planning a "total attack" instead of an attempt to occupy some of the provinces in the border area.

There was no immediate comment from U.S. intelligence officers, but Tri's estimate of 60,000 enemy troops in the border area appeared to conflict with recent U.S. estimates of about 35,000 troops in the entire 3rd Corps area.

The South Vietnamese government said three days ago that an enemy document captured by American troops contained orders from Hanoi to step up military and political activity all over South Vietnam after the United States stopped bombing North Vietnam a week ago.

Rocket Launchers

Meanwhile both the U.S. and South Vietnamese commands reported only light action across the country.

U.S. headquarters reported a U.S. Marine patrol base south of the demilitarized zone was the

Start Election Reform

WASHINGTON (AP) — New efforts to change the way of electing a president have started in Congress in the wake of Tuesday's election, which barely missed being thrown into the House of Representatives for the first time in 144 years.

Indiana Sen. Birch Bayh, who called a news conference to discuss the matter today, has proposed substituting the direct popular election of the president for the current Electoral College system.

In the House, New York's Emanuel Celler, chairman of the Judiciary Committee said he will start hearings on proposed constitutional changes as quickly as possible next year.

Narrow Margin

Caller called the present system outdated and said he is inclined toward a system under which each state's electoral vote would be divided among

the candidates in proportion to their popular vote.

The outcome of Tuesday's election hung in the balance for several hours when it looked as if none of the three candidates would obtain the 270 electoral votes necessary to be elected.

Republican Richard M. Nixon finally won by very narrow margins the three big states of Ohio, California and Illinois, which put him over the 270 electoral vote level although he and Democrat Hubert H. Humphrey both had 43 per cent of the popular vote. Independent George C. Wallace had about 13 per cent.

If there had been no electoral vote winner, then the House would have had to pick the winner.

Bayh, a Democrat, introduced a constitutional amendment in January, 1967 to scrap the electoral college and replace it with direct popular election of the

president and vice president.

It embodied the recommendations of a special study commission of the American Bar Association.

Popular Vote

While Bayh favors direct election and Celler said he tends toward a proportional plan, Senate GOP Leader Everett M. Dirksen said a district electoral plan deserves consideration.

Under the district plan, long sponsored by Sen. Karl E. Mundt, R-S.D., each state's electoral votes would be allocated to districts roughly corresponding to congressional districts except that two votes would go to the popular vote winner in the state.

Bayh's constitutional amendment provides that the candidates for president and vice president receiving the greatest number of popular votes throughout the nation will be elected, provided they receive 40 per cent or more of the total vote.

If no candidate received 40 per cent of the vote, a runoff would be held between the two top contenders.

Husband Beaten

PONTIAC TOWNSHIP (AP) — Ronald Drake of Pontiac Township is a Democrat and a township trustee.

Drake was up for re-election Tuesday.

But when the votes were counted, he had lost the seat 1,967 to 1,915.

The winner: Mrs. Ronald Drake, a Republican.

Michigan Week

LANSING (AP)—Gov. George Romney has proclaimed the week beginning Sunday as Michigan Education Week, saying "one of the primary duties and concerns of an enlightened citizenry must . . . be knowledge of, interest in and responsibility for the quality of our schools."

He said his government would play the leading role on its side of the table, while the North Vietnamese government would lead the other delegation. Hanoi, he said, could have members from whatever groups it desired.

Thieu denied with some heat reports from Washington that he had at one time agreed to four-party talks in Paris. He told newsmen he never discussed such talks with U.S. Ambassador Ellsworth Bunker in any of their 14 meetings that preceded Johnson's halt in the bombing. But later the president's official translator said Thieu did not mean the possibility of four-party talks had not come up in his private talks with Bunker.

Thieu today proposed this formula for the peace talks:

"Each party would have only one delegation. Our side is the victim of aggression. We would have representatives of the United States and, if necessary, other allied nations."

He said his government would play the leading role on its side of the table, while the North Vietnamese government would lead the other delegation. Hanoi, he said, could have members from whatever groups it desired.

Thieu denied with some heat reports from Washington that he had at one time agreed to four-party talks in Paris. He told newsmen he never discussed such talks with U.S. Ambassador Ellsworth Bunker in any of their 14 meetings that preceded Johnson's halt in the bombing. But later the president's official translator said Thieu did not mean the possibility of four-party talks had not come up in his private talks with Bunker.

Wants Guarantee

Recalling his response to Johnson's speech last Thursday, Thieu said Hanoi still must guarantee to enter into sincere, direct talks with the Saigon government. He said the full-scale talks could not be considered a continuation of the preliminary negotiations in Paris between the United States and North Vietnam.

Thieu said Hanoi's response to the bombing halt had proved to be escalation instead of de-escalation. He said the Communists "have stepped up attacks on towns and cities. Between Nov. 1st and 7th there were 33 attacks by rockets and mortars, 11 acts of sabotage, eight cases of terror and two of arson."

U. S. RESPONSE

WASHINGTON (AP) — U.S. officials promised prompt and careful study today of South Vietnam's proposal to take over from the United States the leading role in the Paris peace talks with North Vietnam.

Diplomatic officials feel Thieu's position increases the urgency of a meeting between President Johnson and President-elect Richard M. Nixon and administration authorities are expected to consult quickly with Nixon or his representatives.

There is a widespread belief in the U.S. government that Thieu hardened his position on negotiating with the enemy—including his boycott of the Paris talks—because he expects more support from Nixon than he felt he had received from Johnson.

NASA Launches Sun Satellite

CAPE KENNEDY, Fla. (AP) — Pioneer 9 soared into orbit around the sun today and joined three other satellites in a sentry network to warn of solar radiation storms that could endanger astronauts on the moon.

Twenty-five minutes later the National Aeronautics and Space Administration reported that the communications satellite had been kicked into an orbit more than 200 miles high and that Pioneer 9 was in orbit about the sun.

Officials reported Pioneer 9 was on a near-perfect course that will swing it around the sun once every 297.5 days at distances of 70 million to 93 million miles from the searing surface.

The sun-orbiter carried eight experiments to record and transmit information about the solar wind, cosmic rays, cosmic dust and electric and magnetic fields as it zipped on its lone-some journey.

Low Rent Housing Loan Is Approved

By CLINT DUNATHAN

Housing for the low income elderly of the Escanaba area will become an actuality, City Manager George Harvey said today.

The assurance of the federal loan not to exceed \$2,713,748 from the Department of Housing and Urban Development was announced today by U. S. Senator Phil Hart, D-Washington.

Sen. Hart told Harvey that approval has been given for the financial assistance contract which will purchase the 176-unit low rental housing for senior citizens, which will be constructed on the south side of the 500 block, Ludington St. The site is already under option.

Tower Apartments

The project has been planned and brought to realization through the efforts of the Escanaba Housing Authority appointed by the City Council and by members of the city administration, John Gannon is chairman of the Housing Commission with William DeHaan, Michael Jensen, Carl Anderson and William Winkler the other members.

The site is the east two-thirds of the 500 block of Ludington St. across from the Post Office and Elks Club, and includes the area now occupied by C. W. Transport (formerly Olson Transportation) which is removing to a new freight terminal now under construction.

The developers of the housing project are Blumenfeld & Rokita of Milwaukee, whose plans for the construction of the round high-rise apartment tower of about 18 stories have been approved by federal authorities. The construction and financial responsibility will be that of the developers.

The construction of the building is expected to start as soon as possible—with the clearing of the area by removal of the

present residences and business structures—and would be completed in about 15 months.

\$50 A Month

Persons who would be eligible for the low-rent housing (not to cost more than \$50 a month) are those 62 years of age by the time the building is ready for occupancy. Their earnings could be not more than \$3,500 a year and their liquid assets not exceed \$7,500, not including furniture or automobiles.

A survey to determine the number of persons requiring

such housing in this area has already been made by the Housing Commission, so that a list of eligible prospective tenants is on file with the city.

Each of the 176 units will have 430 feet of floor space, including a bedroom, kitchen, living room and dining area. Stoves and refrigerators are supplied.

The federal financing loan would be repaid over a period of 40 years from rental incomes. There is no local governmental cost for the project.

AN APARTMENT TOWER of about 18 stories, containing 176 low-rental housing units for the elderly will be constructed in the 500 block, Ludington St., financed by a federal loan. Revenues will repay the \$2,713,748 loan over a 40-year period.

North Vietnam Would Reject Reorganization

SAIGON (AP) — President Nguyen Van Thieu proposed today that his South Vietnamese government replace the United States as the leader of the anti-Communist negotiating team at the Paris peace talks.

Thieu proposed a new formula for organization of the Paris conference under which the Communist side would be led by the North Vietnamese. He said it could also include the National Liberation Front, the political arm of the Viet Cong.

Even if the United States agrees to take a back seat at the Paris talks, North Vietnam appears certain to reject Thieu's attempt to give his government the No. 1 place on one side of the table while relegating the Viet Cong to a secondary role on the other. Hanoi has said repeatedly that the National Liberation Front is the only authentic representative of the South Vietnamese people.

Leading Role

Thieu's proposal was made in an attempt to counter the adverse reaction in the United States and elsewhere to his refusal to join the Paris peace talks this week. President Johnson, in halting the bombing of North Vietnam, proposed that the Saigon regime and the NLF send representatives to the talks without specifying the status they would be accorded.

Thieu refused because he said this was opening the door to recognition of the NLF, and he feared this would be the first step toward a coalition government which the Communists eventually would take over.

Thieu today proposed this formula for the peace talks:

"Each party would have only one delegation. Our side is the victim of aggression. We would have representatives of the United States and, if necessary, other allied nations."

He said his government would play the leading role on its side of the table, while the North Vietnamese government would lead the other delegation. Hanoi, he said, could have members from whatever groups it desired.

Thieu denied with some heat reports from Washington that he had at one time agreed to four-party talks in Paris. He told newsmen he never discussed such talks with U.S. Ambassador Ellsworth Bunker in any of their 14 meetings that preceded Johnson's halt in the bombing. But later the president's official translator said Thieu did not mean the possibility of four-party talks had not come up in his private talks with Bunker.

Railroad Unions Plan Merger

WASHINGTON (AP) — Members of four railroad unions are voting on whether to merge into one powerful organization of nearly 200,000 men with more bargaining-table clout and a broader base for branching into other areas of the transportation industry.

"We would have more muscle if we put our money together, our men together and our bargaining committees together," said a spokesman for one of the unions which have been fighting a losing battle over sharp job cuts in the past 15 years.

Government and industry officials view the prospect with some concern.

The four unions are the AFL-CIO Brotherhood of Railroad Trainmen with 125,000 members, the AFL-CIO Brotherhood of Locomotive Firemen and Enginemen with 40,000, the AFL-CIO Switchmen's Union of 10,000 members and the independent Order of Railway Conductors and Brakemen with 15,000.

Missing from the unity movement is the 40,000-strong independent Brotherhood of Locomotive Engineers, which has been in fierce competition with the Firemen over the right to represent engineers.

Preliminary results of the balloting are due Nov. 22, with the final result expected Dec. 10.

Arrest Mastermind Of London Train Robbery

LONDON (AP)—Bruce Reynolds, wanted as the mastermind of Britain's Great Train Robbery five years ago, was arrested today in Torquay, a favorite holiday resort of British millionaires on the south coast.

Reynolds was named by police as the planner of the \$7 million mail train robbery on Aug. 8, 1963. About \$1 million of the loot has been recovered.

The capture of Reynolds left only Ronald Biggs, a relatively minor figure in the robbery, still at large. Biggs escaped from London's Wandsworth Prison in July 1965.

Reynolds, 37, was arrested in the fashionable Babbacombe suburb of Torquay, a sedate resort city on the Cornish Riviera.

Scotland Yard's announcement of the capture made no mention of any resistance by Reynolds.

He was being brought to London for questioning.

\$6 Million
Reynolds has been Britain's most wanted fugitive since 12 days after the 1963 robbery. Police hope they can learn from him something about the \$6 million dollars of British currency which is still missing.

dren in a modest house in Babbacombe.

It was not immediately learned how long they had been living there or how the detectives tracked him down.

Reynolds had been reported seen at various times in such widely separated areas as Australia, the French Riviera and Texas.

His capture was the second Great Train Robbery coup by British police this year. In January, Scotland Yard detectives and the Royal Canadian Mounted Police seized Charles Wilson, 37, another leader of the gang

who escaped from prison in 1964.

Wilson was trapped in a hideout in Quebec Province and brought back to Britain to serve out a 30-year sentence.

Reynolds was the only member of the gang who has not been brought to trial.

Detective Chief Supt. Thomas Butler, head of Scotland Yard's flying squad, postponed his retirement in July 1967 to carry on his 14-hours-a-day, seven-days-a-week search for Reynolds.

The 15-man gang that pulled off history's biggest robbery was organized with military precision and was trained as railroad men, mechanics and drivers. They moved to the hijack spot northwest of London in a convoy, rigged a signal to stop the mail train, knocked out the engineer and raided the mail coach of currency being shipped to London by banks in Northern England, the Midlands and Scotland.

The gang was discovered through the hideout farm it had bought. Ronald "Buster" Edwards, caught in 1966, had been detailed to wipe the farmhouse clear of fingerprints but he became frightened at the enormity of the robbery and fled without completing his job.

Some football players stay in college for five years or more. They can run and kick, but they can't pass.

Today's Chuckle

TOM GARDNER, 14-year-old son of Mr. and Mrs. Ted Gardner, 2101 12th Ave. S., knocked down his first deer, a doe, while hunting with a bow and arrow near Hermansville. Tom, a freshman at Escanaba Area High School, was hunting with his father.

Car Utilizes Natural Gas

LOS ANGELES (AP) — Developers demonstrated a natural gas system for cars Thursday and said it reduces some kinds of air pollution by 90 per cent.

Enough natural gas to produce the power in a gallon of gasoline costs only eight cents, they said, and maintenance costs drop, too.

But conversion costs about \$300 per engine, according to search and development consultant for Pacific Lighting Corp.

"We've found there's some loss of power, about 10 per cent," he said, "but not many people utilize an engine's full power."

Fuel storage is a drawback, he added. Eight hundred cubic feet of tanks in a demonstration sedan took up much of the trunk.

Range is short. Cars using compressed gas can be compared "to battery-operated cars that have to be recharged each night," McJones said.

But Joseph R. Rensch, executive vice president of Pacific Lighting, said "results were so gratifying that we are proceeding with conversions for 18 more vehicles."

The tariff reductions all were scheduled to be put in to effect later—most of them in 1970—as a result of Kennedy round trade negotiations. But Canada, under pressure from the United States apparently agreed to speed up when they would take effect.

STEERING COMMITTEE for the Escanaba Area Public High School evaluation for accreditation is pictured in recent meeting. Members (from left) are Fritz Cerasoli, Mrs. Margaret Gilbert, Mrs. Elnora Vader, chairman; Anthony Kobasic, Kenneth Peterson, George Frantz and High School Principal Robert Micensky. (Daily Press Photo)

Area High School Studied By Self-Evaluation Team

The North Central Association of Colleges and Secondary Schools will send a visitation team of some 20 or more members into the Escanaba Area High School next March 31, April 1 and 2 for a detailed scrutiny of the school, its curriculum, its faculty, its administration, its school plant and the community it serves.

The purposes of the visitation include accreditation of the high school by the North Central Association and a review of a self-evaluation of the school by its own administration and staff to be completed prior to the NCA team visitation.

The self-evaluation was begun last spring and will continue through this year, involving all of the high school faculty and the administration in many hours of time and effort analyzing the school's philosophy, objectives, curriculum, staff and student body, to determine the extent to which the school meets the needs of the students who are enrolled, or

for whom it is responsible.

Robert Micensky, principal of the high school, is responsible for conducting the self-evaluation and for the NCA Visitation.

He will be assisted by Mrs. Elnora Vader, government instructor at the high school, who has been granted one hour a day released time by the school board and the administration to serve as coordinator of the many faculty committees working on the task of self-evaluation which is already well underway. Mrs. Vader has also been named social studies evaluator for the NCA and spent Oct. 29, 30 and 31 at Alpena participating in their NCA evaluation visitation.

The NCA Steering Committee, consisting of Mrs. Elnora Vader, chairman, Fritz Cerasoli, Anthony Kobasic, Kenneth Peterson, George Frantz, Mrs. Margaret Gilbert and Robert Micensky, began meeting shortly after school opened and will continue to meet throughout the year guiding and coordinating the other committee's activities.

At a meeting of the whole faculty on Nov. 4 the philosophy and objectives committee, William Howes, chairman, Arthur Laughbaum, Dennis Zanetti, Miss Bernadette Brennan and Robert Thibault presented a working paper which was given tentative approval.

The School Community Committee, Anthony Kobasic, chairman, Fritz Cerasoli, Mrs. Jeannine Cote, Donald McKie, James Pinar, Ronald Fulcher, Jerome Cvangros, Norman Pangnis, Henry Wylie, Mrs. Sally Kyto, Mrs. Betty Beck, Thomas Hughson and Anthony Kobasic, has also been gathering materials and preparing a report to be submitted for faculty consideration within a few weeks.

Other committees and persons involved in the self-evaluation are: Program of Studies: Thomas Hughson, chairman, Fritz Cerasoli, Mrs. Priscilla Green,

Frank Miketinac, Jean Cote, Ronald Goetz, Paul Hammond, George Frantz and Mrs. Betty Beck.

Student Activities: Graham McNamee, chairman, Jerome Cvangros, Peter Adamini, Mrs. Clara Lang, William Puckelwartz, Miss Rudy Blizel and Conrad Beck.

Instructional Materials Services: Mrs. Margaret Gilbert, chairman, Roman Gill, Richard Ferrario, Robert Shepich, Mrs. Betty Millard, James Hirn, Robert Slade, Vernon Ihlenfeldt and Erwin Wolff.

Guidance Services: Fritz Cerasoli, chairman, Mrs. Betty Beck, Lowell Nordgren, Henry Wylie, David Dickie, Thomas Hughson and Anthony Kobasic.

Health Services: Robert Thibault, chairman, Miss Tyne Kangas, William Puckelwartz, Miss Anita Kotila, Miss Rudy Blizel and Mrs. Betty Beck.

School Plant: Douglas Mc-

Eachern, chairman, Ernest Belanger, Wallace Pultz, James Hirn, John Chown, Philip Hiney and Harold Johnson.

School Staff and Administration: Robert Micensky, chairman, Miss Gladys Swanson, Graham McNamee, Luther Barrett, Jack Magnusen, Mrs. Rose Breitenbach and Steve Baltic.

Statistical Summary: Kenneth Peterson, chairman, Roman Gill, Gary Revord and Donald McKie. Graphic Summary: Paul Rinne, chairman, James Ramsy, Leon Schram, Gary Revord and Kenneth Peterson. Publications and Publicity: John Slapp, chairman, Charles Dedie, James Pinar, John Gustafson, Mrs. Mary Shuler, Dennis Foltman and Mrs. Vader.

Lady Bird Offers Her Assistance

WASHINGTON (AP) — Lady Bird Johnson has offered transition assistance to incoming first lady Pat Nixon in the form of a White House tour whenever the Nixons enter their vacation.

Mrs. Johnson made her offer Thursday in a telephone call to Mrs. Nixon in Florida. Mrs. Johnson's press secretary, Elizabeth Carpenter, said.

In the tradition of first ladies, Mrs. Carpenter said, Mrs. Johnson offered the tour and stated she would introduce Mrs. Nixon to the staff of the executive mansion and help in any other way she could.

Mrs. Nixon thanked Mrs. Johnson for the invitation, Mrs. Carpenter said, and the President-elect's wife added she would get in touch with Mrs. Johnson after the vacation.

Mrs. Nixon thanked Mrs. Johnson for the invitation, Mrs. Carpenter said, and the President-elect's wife added she would get in touch with Mrs. Johnson after the vacation.

Charge Man In Strangling Case

FLINT (AP) — David Cook, 26, of Flint has been charged with first degree murder in the strangulation of Mrs. Karen Dohrman, 20, a divorcee.

Mrs. Dohrman's body was found in the living room of her Flint home Wednesday when her brother, Ronald Edmunds, 18, stopped by. In the house unattended were her three children and two nephews, ranging in age from 16 months to four years.

A medical examiner said she had been dead for about 12 hours. Police said Cook was a friend of Mrs. Dohrman.

ESCANABA AREA MEN attending the wastewater works operators training meeting held at Houghton recently were (from left, front to rear) Joe Bal, Francis D'Amour, John Erickson, Fred Breitman, Martin Rose, Robert Jacke, Martin Caldwell and Cletus Courchaine.

Czechs March In Protest

PRAGUE (AP) — Thousands of anti-Soviet demonstrators marched through Prague Thursday night, shouting "Russians go home" and burning Soviet flags in the biggest demonstrations since the Russian invasion in August.

Large numbers of Czechoslovak troops and police, under orders to crack down hard on the demonstrators, used water cannon, tear gas and clubs to break up the rioting.

Many persons were knocked down by police clubs, and many appeared to have been arrested. Ambulances carried away unknown numbers of wounded.

The six hours of rioting climaxed a tense, uneasy observance of the 51st anniversary of the Bolshevik Revolution, normally a day dedicated to Czechoslovak-Soviet friendship.

The tough police reaction contrasted sharply with the lenient manner in which anti-Soviet demonstrations were handled on Oct. 28, the 50th birthday of the Czechoslovak republic. Local leaders apparently were afraid that unchecked demonstrations would bring Soviet tanks rolling back into Prague.

Operators At Training Meet

Fifty-two men from throughout the Upper Peninsula participated in the 14th annual wastewater works operators training meeting at Michigan Technological University, Houghton.

The three-day conference was sponsored by the Michigan Department of Public Health's Division of Engineering in co-operation with the Michigan Tech Division of Public Services. The objective was to present information to help acquaint operators with what is involved in these processes and their management, and to provide an opportunity for discussion among those who operate this type of facility today.

Wreckers Uncover Beer By Mistake

MIAMI BEACH, Fla. (AP) — A wrecking crew demolishing an old building crashed through one wall to uncover a room crammed with beer, wine and champagne. They gleefully started loading the goods aboard their trucks.

Then Dick Baker told them to put it back. They had accidentally broken through a wall into the storeroom of his bar next door.

Education Week Open House Set At Junior High

Marking American Education Week will be an open house at the Escanaba Junior High School from 7:30 to 9:30 on Tuesday evening.

Parents and other visitors will gather in the auditorium. Following opening remarks by Principal Roy Hivala there will be demonstration of Grade 7 band instruction.

Parents will have an opportunity to meet with the teachers by departments. There will be demonstrations of skills and equipment by pupils in the various classrooms.

Coffee will be served in the cafeteria.

ESCANABA AMVETS POST 123 Commander Clarence Raeder (right) presents a check for \$100 to Robert Schmeling, president of the Delta County Historical Society, to assist the Society in financing its Historical Museum expansion. The Amvets have contributed generously to many other public and charitable community projects. (Daily Press Photo)

Support Continues:

Expansion Of Delta Museum In Final Phase

Gifts and contributions to aid the expansion of the Delta County Historical Museum continue to be received as the building project nears completion.

Robert Schmeling, Historical Society president, said today.

Most recent of the larger gifts was \$100 from the local Post of the AMVETS, which will be used to assist in financing the equipping and furnishing of the Museum addition.

The building addition itself is virtually completed, doubling the floor space of the Museum building at Sand Point in Ludington Park. The cost of the project, totaling about \$15,000,

was raised through contributions from Historical Society members, gifts from interested persons and matching funds from the City of Escanaba.

Reporting at a recent meeting of the Society directors, Museum committee chairman Mrs. Robert Mosenfelder described the need for adequately furnishing the interior to most advantageously display Delta County historical artifacts.

The addition is one large room that will have a workshop at one end and more than 100 feet of wall space for the arrangement of exhibits.

To meet the cost of furnishings, gifts are being received from a number of benefactors and suitable recognition is being planned for those who make substantial contributions for Museum equipment, it was reported. The contributions should be addressed to Erling Arntzen, Treasurer, Delta County Historical Society, Escanaba.

Through the winter months the members of the Society will complete the preparation of displays and prepare the Museum for its 1969 opening on Heritage Day of Michigan Week in May.

This season the Museum registered more than 5,000 visitors, many from other states and countries, as well as serving Delta County residents. Visits of groups of young people were encouraged and with the additional space provided by the expanded building, the Museum will be better able to present group programs.

Firm Promotes Harold Pearson, Former Resident

Directors of Symons Mfg. Co., Des Plaines, Ill., announce appointment of Harold R. Pearson as vice-president of manufacturing. Pearson, a former Escanaba resident, is the son of Mrs. Fred Pearson, 318 N. 14th St.

Symons Mfg. manufactures concrete forming equipment at Des Plaines, Oshkosh, Wis., and San Antonio, Tex.

Pearson also is vice-chairman and secretary of the board of directors of the Texas plant. He has been with Symons for three and one-half years. He is a 1949 graduate of Escanaba High School, and received his degree in business administration from Spencerian College, Milwaukee.

He is married to the former Mary Noyes of Escanaba, and they make their home in Mundelein, Ill., with their five children: Patricia, 13, Dale, 12, Robert, 10, Kathleen, 6, and Jacqueline, 4.

Bombers Raid Camps To Halt 'Total Attack'

(Continued From Page One)

target of a rocket barrage Thursday, and Marines on patrol about a mile away were also hit. Marine casualties were light, with no fatalities, the command said.

A spotter plane located the rocket launchers inside South Vietnam, a mile south of the DMZ, and Marine counterfire resulted in six secondary explosions, indicating hits on ammunition, the Marines said.

The location of the launching site was significant. While North Vietnam has said the bombing halt was unconditional, U.S. sources in Saigon say it is their understanding that the North Vietnamese would stop military activity in the DMZ as one form of reciprocity.

Farm Bureau Organization Meeting Held

The Delta County Farm Bureau Board recently held their reorganizational meeting at the home of Hugo Kivi, Upper Peninsula regional representative, 1806 Ludington St., Escanaba.

The new board consists of Kenneth Sahn, president, Henry Hughes, vice-president; Mrs. Albert Whybrew, secretary-treasurer and directors, Daniel Bushey and Gus McFadden.

Mrs. Gus McFadden is Delta County Farm Bureau Women's Committee chairman and Clayton Ford, Upper Peninsula District director also attended the meeting. The Executive Board consists of Kenneth Sahn, Henry Hughes and Gus McFadden.

Plans were made for attending the 49th Michigan Farm Bureau annual meeting on Nov. 18, 19, and 20 at Michigan State University, East Lansing.

Rosary Society Meeting Held On Monday

BARK RIVER—St. George Rosary Society held their regular monthly meeting Monday evening in the parish hall with Mrs. Leonard Niquette, chairman, in the absence of the President Mrs. Clem Madalinski.

Collection of clothing for the Appalachian poor has been extended for another week and shipment will be made Nov. 12. Mrs. Carl Sarasin and Mrs. Henry Kochanski are co-chairmen of the project. Adult and children's clothing can be used and school supplies are very much needed.

Mrs. Sarasin, Mrs. Jack Rahol and Mrs. Clem Madalinski attended the Escanaba Deanery Workshop held at St. Thomas school, Oct. 28.

The attendance award was awarded to Mrs. Norman Niquette. St. Agnes Circle will function during December with Mrs. Arthur Getzloff, chairman. Lunch was served after the business meeting by All Saints Circle with Mrs. Leo Knauf, chairman.

Highlight of the evening was a half hour film entitled, "Earth's Pain and Hell," narrated by Bishop Fulton Sheen.

Michigan Con. Gas Strike Ends

DETROIT (AP) — Michigan Consolidated Gas Co. and the striking International Chemical Workers Union reached tentative agreement on a new contract today, ending a strike that began last June 16.

Terms of the agreement were withheld until ratification. The unions are scheduled to meet next week to vote on the new pact.

Agreement was reached at 6 a.m. today after a 16-hour bargaining session between the company and representatives of Chemical Workers Local 132 in Grand Rapids, Local 70 in Muskegon and Local 799 in Northern Michigan.

Approximately 450 workers are affected.

Obituary

ADOLPH LAMARCHE

Funeral services for Adolph LaMarche were held at 9 a.m. Friday at St. Thomas Church with the Rev. Arnold Thompson officiating. Burial was in Holy Cross Cemetery. Pallbearers were Howard Rusha, Richard Dupont, Lewellyn Mineau, Robert Lemerand, Ron Houle and Phil LaMarche.

JERRY COUILLARD

Funeral services for Jerry Couillard were held Friday at 11 a.m. at St. Anthony's Church, Wells with the Rev. Norbert Freiburger officiating. Burial was in Holy Cross Cemetery. Pallbearers were Henry, Donald, Dale, Harlen, James and Francis Couillard.

24 Counties Get Snow Funds

LANSING (AP) — Heavy snow last year has qualified 24 Michigan counties for state funds for snow removal this year, reports the State Highway Department.

Payments will total \$744,762 this year, the department said, compared with \$752,057 last year. The number of counties, however, is fewer this year than last, when 60 of the state's 83 counties qualified for aid.

Funds are distributed to counties that have an average of 70 or more inches of snow. The money is set aside from state

gasoline taxes and license plate fees under 1956 legislation. Keweenaw County had the heaviest snowfall for the second year, 171.61 inches, compared to 228.97 inches in 1967. Houghton County was second with 146.69 inches. Iron County totaled 70.76 inches, just enough to qualify for financial assistance.

Harry Stuhldreher, Don Miller, Elmer Layden and Jim Crowley were the famous "Four Horsemen" of Notre Dame.

WHAT'S NEW?

at ANDERSON-BLOOM

Just about the most exciting variety of brand new styles and shades that we have offered. Men, boys, can make a sweeping selection of everything that's smartly styled to wear this year . . . and even beyond.

New Growth Rates

People familiar with the revolution in farming which has so shrunk the number of American farmers and so mechanized their work wonder how long it will take to work a similar change in wood industry.

The change is already underway, of course, and has been for years. It replaced the logging team with the tractor, the crosscut saw with the chainsaw, the picaroon and big muscles with the loader.

But the production of wood still is in the dark ages compared with the production of farm crops. We still wait for nature to do most of the work of supplying wood when we wouldn't similarly tolerate her poky, uncertain way of providing food crops in the wild because it would mean starvation.

James Shaffer, professor of agricultural economics at Michigan State University, says "the last hour of farm work will be performed on United States farms in the late fall of 1984 if present trends continue."

Such a statement needs an explanation, of course. It's a shock appeal statement. Shaffer says the number of hours worked on farms was reduced by half from 1950 to 1967. If that trend were to continue until 1984 there would be no farm work to do, but of course it doesn't happen that way. The law of diminishing returns applies.

The point is that human farm work has been drastically reduced by making machines and new agricultural techniques do it, and that the trend continues. Obviously there won't be an end of farm work, but there is and will be a dramatic reduction of it.

In 1950-54 the average of man hours worked in cotton farming was about 1.5 billion. By 1966 it was reduced to 300 million and in the same period the number of cotton farms declined from 600,000 to 100,000.

U. S. production of most foods and fibers — and wood is a fiber, cellulose — says Shaffer, has been greatly changed by specialization of work and the shift of work from farm to non-farm firms. Farming has become more like processing done on the soil, with more than 60 per cent of gross farm sales represented by the things like fertilizers, pest and weed control chemicals, fuels for farm machinery, etc., that the farmer has to buy.

Long gone is the time when the farmer had only to pay his taxes and buy seed and the rest was his muscle. He has large costs of crop production now and his muscle isn't as important as it was in grandpa's time.

Dr. Eric Bourdo of Michigan Tech's Ford Forestry Center told the National Hardwood Lumber Association convention in San Francisco recently that fantastic increase in wood production like that achieved with farm crops is possible if trees are handled like crops.

"Once the old growth forest has disappeared as a source of timber," said Dr. Bourdo "then trees everywhere become as much a crop as fruits, grain and vegetables." They could, but they haven't, at least in the U. P. Economics control the situation and we've reasoned until now that it's better to take what nature offers, with a little forest management, instead of spending a lot of money the way the farmer does on his field crops, to grow the kind of forest that will supply high quality wood to industry's markets.

Ford Forestry Center at Alberta is doing research now on selective field fertilization of northern hardwoods under a grant from Connor Forest Industries. The prize sought here, says Bourdo, is commercialization of the knowledge that young trees of high quality potential can grow in value at many times the rate at which they can grow in volume.

There are changes being born in the forests and especially in the research labs. Farmers only learned with discovery of radiation techniques that some of their trusted old fertilizers were useless. Now they achieve near-miracles of growth increase. There's every reason to believe that trees are just as responsive to stimulation, but we haven't brought the urgency to forest research that we have to food crop increase in this well fed island in a hungry world.

"Here's a Little Something I Tossed Off
Just in Case Anyone Forgets!"

Czechs Can Resist Foreign Occupation

By RAY CROMLEY
WASHINGTON (NEA) — If the German occupation of Czechoslovakia is a precedent, the Soviet Union may be in for some surprises.

The Russians, of course, have more than enough power to put down open opposition and armed revolts.

They can remove Czechoslovakia's top men and put in quislings to do their will.

But in four centuries under foreign rule, the Czechs have polished the techniques of quiet passive resistance.

Czech experts do not expect guerrilla warfare or the nightly blowing up of dams, bridges

or buildings. They look to the Czechs to come up with more subtle resistance.

Item—That the Czechs have not lost their ability for counter-propaganda has already been illustrated. Moscow has had to angrily deny reports that Soviet Premier Kosygin and Defense Minister Grechko have resigned in protest over the invasion.

In the past, the Czechs have shown their greatest genius in the spreading of such discomfiting rumors. Early in 1940, the Germans were forced to put out an official statement denying that the new money they issued would be worthless if folded.

Item — Czechoslovakia is a huge bureaucracy. As any citizen knows, skilled bureaucrats know countless ways of slowing action. Key orders can be made lengthy. Dozens of conferences can be required to "explain" what needs to be done. Simple orders can be made confusing, obscure or conflicting. Orders can be carried out to the letter while bending the intent 90 to 180 degrees.

In German-occupied Czechoslovakia in World War II, factories continued to produce the wrong goods for months after orders had been received shifting output to war materials.

As a result of these bureaucratic problems, the Germans were forced to put in their own officials up and down the ranks. In some areas, Hitler's men replaced one-fourth of the local officials with Germans from the Reich to insure their orders would be carried out. They could not depend on local replacements, even in some of the local German communities.

Item — Czech farmers can move slowly at times. As the German occupation of Czechoslovakia continued, Czech cows began to turn out less milk until their output was half of normal. Hayracks and barns unaccountably caught fire. At planting time, stocks of seed potatoes were found to be useless, their shoots broken off. Quantities of corn seed were found fermented, ruined by water.

Sabotage during the German occupation showed itself in other ways.

Accidents increased markedly on the railroads. In one plant tank output dropped so sharply that in a year enough production was lost to have equipped an armored division. Ammunition was missorted. Millions of rounds were returned to factories.

Over-all, the underground opposition in Czechoslovakia grew so bad that in September, 1941, Gestapo chief Heydrich was sent to Prague. In the weeks that followed, 400 men were executed for sabotage.

Only Australia, New Zealand and Canada are within 10 to 20 per cent of matching U. S. productivity in terms of output per worker. U. S. industrial production is more than double that of any European nation and more than four times that of the Soviet Union.

People, Events Of Yesteryears

From the Files of the Escanaba Daily Press

25 Years Ago

Four Escanaba area men participated in the reviewing and revising of the U. P. basketball rules for the current season. These men were Ken Gunderman, Bill Puckelwartz and Dick Schram all of Escanaba and Eldon Keil of Gladstone.

The Women's Mission Circle of the First Presbyterian Church will hold its annual meeting this afternoon. Mrs. F. M. Fernstrom and Mrs. William Leiper are in charge of the music. The program will include a speech by Mrs. Arthur Kamrath on the Synodical which she attended in Flint.

50 Years Ago

Dr. W. A. LeMire of Escanaba carried every county in the 13th senatorial district by handsome majorities. Dr. LeMire was given a testimonial of regard in his home county of Delta, as well as in every county of the entire district.

J. Arthur Moran, well known Chicago newspaper man who is in training for a commission at Municipal Pier Ensign School, arrived in the city for a brief visit with local relatives and friends.

Questions And Answers

Q—Which periodical has the largest circulation?
A—"The Reader's Digest." There are 28 international editions in 12 languages which, added to the U. S. home edition, make a total monthly circulation of 17½ million.

Q—Where is the grave of the Unknown Revolutionary Soldier?
A—The grave is in the churchyard of the Old Presbyterian Meetinghouse, Alexandria, Virginia.

Q—When was the Irish Sweepstakes inaugurated?
A—The lottery on behalf of several Irish hospitals was inaugurated in 1930 and soon became popular in America. Within five years, it was the most successful lottery in the world.

West led his ace of hearts and continued with the queen. South ruffed, looked over dummy and asked his partner why he hadn't rebid his spades. North replied that he would have done so if South hadn't gone to three clubs but by this time South was absorbed in the problem of making his three club contract.

As you can see, South might well have made two over-tricks by the simple expedient of conceding a trick to the king of clubs but South worked out a play to go down. See if you can figure out how he managed this. East did come up with a good defensive play.

South started working out his downfall by playing the ace of diamonds at trick three and ruffing a diamond at trick four. He was still in good shape but things took a nasty turn shortly thereafter.

His next play was to enter his hand with the ace of spades to lead another diamond. He ruffed this with the six and East came up with the good defensive play. He forgot to over-ruff. He also was careful to discard a spade, not a heart.

South smiled cheerfully, entered his hand again by ruffing a heart and led a fourth diamond for dummy to ruff with the queen of trumps. This time East remembered to over-ruff. Then East led a fourth round of hearts. South ruffed with the nine, and West over-ruffed with the 10.

West led his king of diamonds whereupon East came up with his second key play of the hand. He ruffed his partner's trick with his five of trumps and played his last heart.

South ruffed this, whereupon West was able to discard his losing spade and South wound up making the ace of diamonds, two diamond ruffs, one spade and four of his five trumps for a total of eight tricks. Down one.

Q—The bidding has been:
West North East South
Pass 1 ♠ Pass 1 ♣
You, South, hold:
♠ AK76 ♥ KQ94 ♦ A ♣ KQ107
What do you do now?
A—Bid three hearts. You don't want to go right into Blackwood because your partner may hold two aces and bad spades.

TODAY'S QUESTION
You bid three hearts and your partner bids three spades. What do you do now?
Answer Tomorrow

Explains Low Wallace Vote
BLOOMFIELD, Conn. (AP) — Last week a group of fifth graders used machines in a mock election in the town clerk's office.

Third-party candidate George C. Wallace received one vote.

The teacher in charge learned Wednesday that vote was cast by a little girl who could reach only the lowest lever—Wallace's.

Ann Landers

Monthly, Office Parties Irritating

Dear Ann Landers: Please print this letter because it is getting to be more and more of a problem not only in Billings but in many other cities.

What can be done about office parties — not once a year at Christmas, but once a month? They call these little clambakes "staff meetings" and "brainstorming sessions." This means cocktails and dinner, and they often run till midnight — always on a Friday. Wives are not included, of course, because it is supposed to be business. (Five executives and five secretaries.)

My husband is one of the executive group and I don't approve — especially when he comes home half smashed with makeup on his collar and tells me that Mr. Jones' secretary lost her balance when the elevator jerked and she fell against him.

If you say I am narrow-minded or hurting my husband's chances to succeed, I will shut up once and for all. Perhaps I should tell you he did just fine in Butte without these meetings. What is your opinion? — SLOW BURN

Dear Burn: The opportunity for hanky-panky in offices, shops, factories and every place where men and women work together from nine till five is real enough without keeping things going until midnight, with cocktails yet. When executives and secretaries start eating and drinking together, the relationship takes a very relaxed social air which eventually destroys the employee-boss relationship. Nothing good ever came of this sort of thing and I have gone on record as being four-square against it.

Dear Ann Landers: This is for the woman who yelled bloody murder because her husband asked her to take his two boys by a previous marriage.

When I married my husband I was a widow with five children. I thought it was nice of George to take on such a load. He had two girls by his first wife and four by his second. He saw his children often and was pleased that they were all doing well.

Five months after we were married, George's first wife ran off and left the girls (one was 10, the other 12). Their step-

father didn't want them so I took them to live with us.

Three weeks later George's second wife died of an aneurism — no warning, she just didn't wake up one morning. Without being asked I told George I wanted the four children. (Their ages were from 3 to 8.)

There are now 11 kids in this house. I don't have to tell you Ann, it is plenty crowded and noisy and some days I feel like screaming. But we love each other and the children are great at sharing and taking care of one another. There's too much work around here for any foolishness or coddling. Everyone has his job to do and he does it or else.

My husband loves me more because I took in his children. It was the best thing that ever happened to our marriage. I hope the woman who grieved about two little boys sees this and learns something. — NOT HIS OR MINE BUT OURS

Dear Ours: You sound like a great lady. My hat is off to you, Doll.

What awaits you on the other side of the marriage veil? How can you be sure your marriage will work? Read Ann Landers' booklet "Marriage — What To Expect." Send your request to Ann Landers in care of your newspaper enclosing 50 cents in coin and a long, stamped, self-addressed envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper, enclosing a self-addressed, stamped envelope.

Idea Car Uses More Plastics

SOUTHFIELD (AP) — Rohm and Haas Co. unveiled an idea car Thursday which provides, according to the developers, "a dramatic demonstration of automotive uses for plastics and chemicals."

The car, called Explorer V, illustrates uses—both functional and aesthetic—of plastics, glass fibers and polyester resins as well as chemical compounds used in paint and upholstery preservatives and others.

Object of the one-of-a-kind auto is to interest auto makers in adapting more plastics in their production models.

BERRY'S WORLD

"It's a best seller called 'The Money Game.' Why?"

January Draft Call Increased

WASHINGTON (AP) — The Pentagon announced today a January draft call of 26,800 men to serve in the Army. This is the biggest monthly quota since May when the total reached 45,900.

The Defense Department said the January quota "will assure a timely flow of replacements for men completing their terms of service."

The announcement explained that recent draft call fluctuations have been due mainly to shifting changes in Army replacement needs.

The January quota is 9,300 more men than December's 17,500 call and 16,800 more than the 10,000-man call for this month, lowest so far this year.

ISLAND VEHICLES

Streets and highways in the Virgin Islands are more crowded than ever with motor vehicles. As of Jan. 1, 1968, the islands had a total of 13,478 cars, trucks and buses registered, as compared with 11,287 vehicles the preceding year.

Women's Activities

VFW Auxiliary Hosts Party At V.A. Hospital

The VFW Auxiliary 2998 entertained at a party at the Iron Mountain Veteran's Hospital Wednesday evening Nov. 6.

In keeping with the Veteran's Day theme, the musical program consisted of various patriotic numbers as well as other selections. Taking part in the program were Cindy and Cheryl LaFleur, Kathy and Lynn Madden, Jan Hess, Kris Sjoquist, Cindy Jo Chapla, Mary Erfourth and Linda Hurthibise.

Cookies, cupcakes, coffee and juice were served to the veterans following the party and a number of door prizes were awarded.

Attending from Escanaba were Margaret Doucette, Helen St. Vincent, Vina Osier, Ethel Monson, Sophrona Baldwin, Mr. and Mrs. Clarence Thibodeau, Mrs. Richard Houle and Cathy Houle. Lucille Cholger, local VFW Hospital chairman, was in charge of the party.

Mr. and Mrs. Sim Wellman

Sim Wellmans Observe Their Golden Wedding

Mr. and Mrs. Sim Wellman celebrated their 50th wedding anniversary Saturday, Nov. 2 with a reception at the Eagles Clubrooms from 4 to 8 p.m. Dancing followed the buffet dinner.

The Wellmans were married 50 years ago in Escanaba and have resided here all of their lives. Attendants at the wedding 50 years ago were Mrs. Florence Stoneman and Milbourne Bergeon.

Mrs. Wellman received her guests wearing a gold colored dress with a green lace coat and was presented a corsage of yellow and gold flowers. Mrs. Stoneman was attired in a purple dress and pinned a corsage of pink and white carnations.

The Wellmans have eight living children and all were present for the celebration. They are: Harvey, Robert, Bill, John, Mrs. Vivian Rusch, Mrs. Shirley St. Cyr, Mrs. Merly Jensen and Mrs. Betty Lancour. Twenty-five grandchildren also attended.

Mr. and Mrs. Wellman received many gifts including a gold card tree made by Bud Urbanc, a nephew of the honored couple.

Friends and relatives attended from Escanaba, Vulcan, Iron Mountain, Sagola, Niagara, Watertown, and DePere, Wis.

Presbyterian Ladies Meet Next Week

The Women's Association of the First Presbyterian Church will hold their November Circle meetings as follows:

Circle 1 will meet at the home of Mrs. George Petersen, 303 Ogden Ave., on Tuesday, Nov. 12 at 2 p.m. Mrs. Victor Thorin will be the assisting hostess.

Circle 2 will meet at the home of Mrs. Grover Lewis, 301 S. 6th St., Tuesday, Nov. 12 at 2 p.m. Mrs. A. C. Victorson will be the assisting hostess.

Circle 3 will meet at the church Tuesday, Nov. 12 at 2 p.m.

Circle 4 will meet at the home of Mrs. Alan Davidson, 1524 S. 9th Ave., Tuesday, Nov. 12 at 8:15 p.m. Mrs. John Peltier will be the assisting hostess.

Circle 5 will meet at the home of Mrs. Donald Allis, 613 S. 17th St., on Wednesday, Nov. 13 at 9:30 a.m. Mrs. Philip Lyon will be the assisting hostess.

Circle 6 will meet at the home of Mrs. Edward Olsen, 1109 S. 17th St., Thursday, Nov. 14 at 8:15 p.m. Miss Ingrid Tervonen will be the assisting hostess.

Story Time On Saturday

All boys and girls of the age of three and above are invited to attend Story Time in the Children's Room of the Escanaba Public Library at 10 a.m. Saturday. The stories this week will be: "The Best Nest," "The Old Bullfrog," and "The Wee Moose."

More people get more news from newspapers than all other sources combined.

Entertainment Blend Coming To White House

NEW YORK (AP) — When the Richard Nixons move into the White House they will bring with them a style of entertaining that is a unique blend of California casualness and New York sophistication.

It won't be Camelot, but it won't be Main Street either. It will reflect a nonswinging middle class America that has taste and friendliness.

Social Washington embraced the John F. Kennedy administration's entertaining, as purveyed by beautiful Jacqueline and the cultural interests. It coexisted with the Lyndon B. Johnsons' variety.

More Formality
The President-elect is believed to favor a little more formality in dress and manner of entertaining than his immediate predecessors. But the next First Lady will see to it that every visitor, whether it's the littlest Girl Scout or the most regal potentate, is made to feel welcome.

Slim, blonde Pat Nixon, 56 is an admitted introvert who has overcome a basic shyness in meeting people. She has no diffi-

Prayer Week Meeting Is Set Tonight

"American children used to pray. Now if you see a kid on his knees, he's just changing the TV channel," quipped a popular American comedian recently.

Unfortunately, the joke is probably all too real, said Pastor L. A. Pomeroy of the Escanaba Seventh-day Adventist Church in calling attention to a Week of Prayer his church is conducting Nov. 2-9. "Confidence," is the theme of the prayer week.

Pastor Pomeroy said the contrast between the world and the church must ever be sharp.

"While the world emphasizes materialism, the church emphasizes spirituality," he said. "While the world is anxious for the present, the church calls attention to the future."

And confidence, he declared, is where the sharpest contrast exists between the church and the world. "Gloomy and pessimistic people are those who lack faith in God," said Pastor Pomeroy.

Pastor Pomeroy recalling how Washington, Lincoln, and other great American leaders often and openly relied on prayer and divine assistance, issued a call for Escanaba citizens to pray for the nation's leaders today and to rely on prayer to face present crises.

The topic of the "Week of Prayer," meeting tonight will be "Confidence in Our Dedicated Youth." The meeting will be held at the local Adventist Church at 7:15. The series of prayer meetings close with, "Confidence in the Triumph of the Message," Saturday at 9:30 a.m.

Book Fair At St. Anne's To Open Saturday

Plans are in the final stages and finishing touches are being put on the second annual Book Fair sponsored by the St. Anne Home-School Association, according to Howard Acker, chairman.

"The Parade of Books" will be held Saturday, Nov. 9 1 to 5 p.m. and on Sunday, Nov. 10 from 7:30 a.m. to 4 p.m. in the St. Anne School Library. The public is invited to browse through the nearly 2,000 books which cover a variety of subjects and interests, all which appeal to children.

The main objective of this second annual Book Fair is to encourage children to love books and to discover the enjoyment that can come from reading. A book is a perfect solution to the Christmas gift problem for any child.

Coffee and doughnuts will be served during the two day event. The committee in charge of serving includes Mrs. Emil Frappier, Mrs. Guy Hurkmans and Mrs. Wayne Verhagen. Also assisting are the Mesdames Tom Hughson, Tony Fittante, William Erickson and Howard Acker.

Isabella

Mrs. Gust Soderberg, Mrs. Bida Sundin and Mrs. Al Aspund were guests of Mrs. Ted Nelson at Marquette on Friday.

Mrs. Ed Groleau, Mrs. Isadore Bonifas, Mrs. Louis McLeod and Mrs. Caleb Johnson spent Tuesday in Marquette.

Mrs. Caleb Johnson will enter St. Luke's Hospital, Marquette Saturday. She will undergo surgery.

Mr. and Mrs. Leon Clauson have returned to their home in Milwaukee after visiting her parents, Mr. and Mrs. Raymond Nedau.

Mrs. Homer Turek and children will spend the weekend at Duluth, Minn. where they will visit with Mr. Turek, who is a sailor on the lakes.

culty in putting guests at ease. She once said that a First Lady's greatest contribution is "to make friendly contact with leaders of other nations." She has been doing that for years.

When her husband was vice president she had experience acting as official hostess at state functions. "On-the-job training" she calls it now.

Accompanying Nixon on good-will missions around the world during the last decade and a half has given her a formidable first-hand knowledge—and a woman's-eye view—of the people of at least 60 nations.

Small Dinners
Mrs. Nixon likes small, candle-lit sit-down dinners, with guest lists well seasoned with people in the arts, professions, business. These will provide a change of pace from large state dinners, along with open houses for young people which she loves to give for her daughters Julie, 20, and Tricia, 22.

The rose garden may be a setting for dinner occasionally, since the next First Lady is a devoted gardener.

The Nixons like well-cooked but simple American fare—a favorite menu includes tenderloin, green peas, puffed potatoes, zucchini and tomatoes, popovers. But Mrs. Nixon is fully aware of the importance of serving gourmet food to distinguished guests.

Art Galleries
In New York Mrs. Nixon's favorite entertainment for out-of-town guests is to take them to art galleries—the Frick collection is her favorite. Now the Washington galleries can expect frequent attendance from the White House ladies.

Entertainment at 1600 Pennsylvania Avenue will draw from the best in American culture—dancers, writers, musicians, actors, singers—with possibly an emphasis on classical music, which the piano-playing President-elect prefers. Mrs. Nixon

THERE ARE ONLY 46 days until Christmas and these students at St. Anne's School are taking advantage of their annual Book Fair to do their Christmas shopping. The Book Fair will be held Saturday, Nov. 9 from 1 to 5 p.m. and Sunday, Nov. 10 from 7:30 a.m. until 4 p.m. in St. Anne's School Library. The public is invited. Pictured making their selection are from left, Vickie Johns, Steven Lord, Pat McCarthy, Maureen Hughson, Greg Rose, Mark Babel and Mary Pat Hughson. (Daily Press Photo)

Clifford Cotas Are Married Fifty Years

Mr. and Mrs. Clifford Cota of Garden celebrated their Golden Wedding anniversary Oct. 19 with an open house reception at St. John's Parish Hall, given by their children. A buffet lunch was served.

Among the guests were nine of their 10 children, and their families, Mr. and Mrs. Leonard Cota of Waukegan, Ill., Mr. and Mrs. William Goldie, Manistique, Mr. and Mrs. Fred Cota, Gulliver, Mr. and Mrs. Donald Cota, Fayette, Mr. and Mrs. Arnette Richardson, Deer Park, Ala., Mr. and Mrs. Clifford Cota Jr., Manistique, Mr. and Mrs. Clayton Cota, Royal Oak, Mich., Mr. and Mrs. Louis Richette of Ferndale and Mr. and Mrs. Henry Cota of Gulliver.

The Cotas also have 36 grandchildren and six great grandchildren.

Events

Golden Age Club

The Golden Age Club will meet after 2 p.m. on Sunday at the Bonifas Civic Center. There will be a pot-luck lunch, cards and dancing.

Senior Citizens

Because of the Eucharistic Day services at St. Patrick's Church on Sunday the Senior Citizens Club has canceled all its activities on that day. The club will resume its series of parties on the following Sunday, Nov. 17, at 2:30 p.m.

Church Events

First United Methodist

Saturday, Nov. 9, 2 p.m., Fall Bazaar sponsored by the WSCS.

Central United Methodist

Saturday, Nov. 9, 10 a.m., Junior Choir.

B&PW Club To Meet Monday

Mrs. Dorothy A. Duca, patient activities director for the Pinecrest Medical Care Facility at Powers, will be the speaker for the meeting Tuesday of the Business and Professional Woman's Club. She will speak of her work and show movies of the program at Pinecrest.

The club membership committee will be in charge of the program for the meeting which will be at 6:45 p.m. at the Sherman Hotel.

Members may call Mrs. Pearl Witte, 786-4295 for reservations.

People

Mr. and Mrs. Irwin Ten Haken and daughter, Sue of Portage, Wis., are visiting with Mr. and Mrs. Jess LaVolette and other friends here over the weekend.

Cale Yarborough and Mercury Cyclone—two of racings greatest winners!

Cale's wins in his Mercury Cyclone:

1. Daytona 500.
2. Atlanta 500.
3. Virginia 500 at Martinsville.
4. Firecracker 400 at Daytona.
5. Southern 500 at Darlington.

You can't buy an exact duplicate of Cale's car. But you can buy a version that is almost as exciting. We call it the Cyclone CJ mainly because it comes with a new CJ 428 engine, a 4-barreled power plant which cranks out 335 horsepower. The burly tires have an extra-wide tread and are belted with fiberglass. A competition handling package, low-restriction dual exhausts and 4-speed manual transmission are all standard. We went all the way on everything except the price.

And here's another winner from Mercury at a price that makes you a winner!

Montego 2-door Hardtop

Specially Priced!

Immediate Delivery! We'll get you off to a flying start without waiting. Wide range of models, colors, options and accessories to choose from. More coming in every day. Come in, get our great deal and drive out a winner!

Lead the way in a winner from Lincoln-Mercury!

Schoolcraft Waits On Time Question

By BARBARA JOHNSON

MANISTIQUE — A favorite game of school children is called "Simon Says." The rules are very simple; you do everything you're instructed to do, provided the command is prefaced by the phrase "Simon Says."

Adults like to play games, too, and the No. 1 game in Schoolcraft County today is one called "The Board of Supervisors Says." The rules are the same as the Simon game except no one knows what the supervisors will say about the time question.

To Poll Board

Will they advise residents to turn back their clocks Sunday morning and observe the legal time or will they ignore the federal uniform time act and command "the Board of Supervisors say don't turn your clocks back."

Board Chairman Joel Carley of Cooks said this morning, he would poll the 13-man board and issue a statement Saturday morning on how the board members felt. Prosecuting Attorney Gottfrid S. Johnson was unavailable for comment this morning, but indicated a public statement on the legality of the board's presumed authority to challenge the proposal adopted in Tuesday's election.

Evidently, the prime area of conflict over the time problem results in a dual interpretation of Public Act 6, State of Michigan, which the Legislature enacted April 29, 1967.

Michigan's Public Act 6 was the result of a federal law passed by Congress in 1966 putting the entire nation on daylight savings time annually from the last Sunday in April until the last Sunday in October.

However, any state could exempt itself from the federal act (Public Law 89-387). This the State Legislature did by enacting Public Act 6.

Section I of the act says simply: "Eastern Standard Time based on the 75th meridian of longitude west from Greenwich, . . . is the legal time throughout the state."

Section II of the same act provides: "The entire state, including all political subdivisions, shall be exempt from the provision of sub-section (a) of section III of Public Law 89-387 (the federal act putting all the nation on daylight saving time) providing for the advancement of time."

Area Of Doubt?

County officials, unwilling to be quoted, indicate that they feel there is an area of doubt in the interpretation of the two sections — that section II provides for the state to legally observe Eastern Standard Time.

The referendum (proposal number 2) which was adopted in Tuesday's election upheld the federal law and voided Public Act 6.

Solomon Bienenfeld, an assistant attorney general in Lansing, said Thursday he had talked with James Minor of the U.S. Dept. of Transportation in Washington, D.C., and that the department intends to enforce the federal law if any counties do not adopt the legal time this week. Bienenfeld said that there are legal ways of getting the time laws redrawn, including the right of petition, and this is the only course of action he could recommend.

Bienenfeld said further that the federal agency had adopted a "wait and see" attitude when several Upper Peninsula counties refused to go on daylight saving time Oct. 29, since the problem would or should be resolved during the general election.

Motion On EST

Schoolcraft County's time situation came about very quietly at the end of the Sept. 17th board of supervisors meeting. Quoting from the official minutes of that board meeting: "It was moved by Harold O. Carlson, supported by Richard Rodgers, that Schoolcraft County adopt Eastern Standard Time as the official time for Schoolcraft County on a 12-month basis and that same become effective immediately. Motion carried by unanimous Aye vote of members present. Absent: Thor Reque and Leo DeMars."

So what will happen? The board's decision will be announced Saturday.

A REORGANIZATIONAL meeting of the Delta County Farm Bureau was held recently at the home of Hugo Kivi, Escanaba, Upper Peninsula regional representative. Pictured from left, seated, Kenneth Sahn, president, Mrs. Albert Whybrew, secretary-treasurer; Henry Hughes, vice-president and Gus McFadden, director; standing, from left, Daniel Bushey, director; Clayton Ford, U. P. district director and Mrs. Gus McFadden, women's chairman.

Contracts Approved:

Extend Utilities To Campus Site

The extension of water and sewer lines to the Escanaba industrial park area, where Bay de Noc Community College is to have its campus, is now assured with the approval of contracts including federal assistance.

The Escanaba City Council Thursday night approved a resolution awarding the sewer and water extension contract to L. W. Brum, Marquette, for a total of \$174,667. The contract is subject to the approval of the Economic Development Administration, which is sharing the cost.

Escanaba's share is one-half the total contract cost, plus \$18,367 because the project ran above original estimates and because the city requires the use of cast iron pipe.

Will Start Soon

Contractor Brumm is expected to start construction of the lines within two weeks and the project is scheduled for completion by Aug. 1, 1969. The project has been "in the hopper" for a couple of years, one reason for the cost rise over the original estimates.

The Council Thursday night also received and entered into the record a letter of appreciation from Harold C. "Pat" Hayes of the House of Representatives, who was recently honored on his 73rd birthday anniversary. Hayes extended appreciation to the Council for "the birthday greetings extended to me" and told the Councilmen: "You have played a great role in the progress of this community and I know, with your dedication, Escanaba will continue to move forward."

The city, with Council approval, proposes to establish a parking violation bureau at the City Hall, where motorists can pay fines for overtime parking to the treasurer rather than at the police station. Final action on the proposal will be taken at the next meeting.

Two To Resign

In discussion the Council approved continuing the same 50 cent penalty for parking violations if paid within 24 hours. After 24 hours and up to 15 days it would be \$1, and then increase to \$3 if not paid within 30 days from the date of violation.

The proposed bureau is to be established by Jan. 1 when the new district court takes over, ending the justice of the peace and municipal court system.

The Council approved continuing the present city method of collecting county and school taxes within Escanaba without charging a collection fee. The state law would permit a collection fee of 1 per cent which would be approximately \$10,500, said City Manager Harvey.

The present system will be continued, with the city taking excess of roll in the amount of about \$2,500 for its collection service.

Mayor Cecil Chase and other councilmen congratulated Councilmen Harold Vanierberghe and H. George Nelson, who have been elected to the new Delta County Board of Supervisors. They will resign from the Council before Jan. 1 when they will become County Board members. The vacancies will be filled by appointment.

Dr. Polley Requests Changing School Aid

GRAND RAPIDS (AP) — The state superintendent of public instruction called Thursday for a change in state aid distribution so low valuation school districts get a "substantially larger percentage of funds from state sources."

Dr. Ira Polley also suggested changes that included an increase in state funds for education, modifications in the state aid formula and "definite steps" to consolidate smaller school districts into larger ones.

Polley's comments came in a speech prepared for delivery to the Michigan Association of School Boards.

Such educational changes, Polley said, "can win understanding, acceptance and enactment in the 1969 legislative session...and obtain public understanding that will deserve public support."

On district consolidation, the superintendent said, "The small districts encounter superhuman problems in providing high quality educational programs and services for their youngsters. 'Careful studies have shown repeatedly that small districts do not and apparently cannot provide the variety of programs and the specialized personnel found in larger districts,' he added.

Polley called also for a doubling of vocational education enrollment and a greater variety of programs and services in the state.

Problems he cited included shortages of funds, teachers and guidance counselors.

Citizens have "only a limited understanding of the problems of handicapped children and of the magnificent help that specialized programs can bring," Polley said. "But there are signs of a growing awareness and concern."

"Serious shortcomings and inadequacies...demand our careful attention," he told the school board members, "and deserve from all of us an unequivocal commitment to develop and achieve reform."

French Ship To Load Clay At Ore Dock

The first foreign registry vessel ever to load in Escanaba is expected to dock at the Chicago & North Western ore dock about 8 p.m. today to take on a cargo of bentonite clay from South Dakota for delivery to Rotterdam.

The French freighter "Christine" under command of Capt. Denis Bourdonnee was en route to Escanaba today from Detroit.

Railroad officials at the dock indicated the vessel would load about 10,400 tons of the South Dakota clay Saturday.

The railroad last month successfully handled a pilot shipment of the clay over the ore dock in a "test run" before the scheduled arrival of the "Christine."

Clay for the French vessel was shipped over the North Western from Belle Fourche, S.D., by American Colloid Co., Skokie, Ill., a firm with an international business in clay.

The "Christine" will depart from Escanaba for Rotterdam via the St. Lawrence Seaway. From Rotterdam, the clay will be distributed to foundries to be used in the making of moldings.

Bentonite has a number of industrial uses. It is an element used as a binder in the manufacture of iron ore pellets in the Upper Peninsula's mine plants. Traffic in the clay is in both crude and refined form. The local handling will be of crude bentonite for processing abroad. Movement to Escanaba was in open hopper cars.

Seaman Dies Aboard Ship

John Lester Balthazore, 34, of Escanaba, died suddenly Thursday night aboard the Great Lakes steamer Henry Ford, where he was employed as watchman.

Cause of death was believed to be a heart attack. The body was taken off the ship to Port Huron and will be brought to Escanaba.

Mr. Balthazore was born April 2, 1934, in Escanaba and lived in Escanaba most of his life.

Surviving are his wife, the former Rose Drossard; two sons, Jerry and Stephen; two daughters, Jacqueline and Kathy; his parents, Mr. and Mrs. Dewey Duncan of Escanaba; eight sisters, Mrs. Phyllis Heyson and Mrs. Harold (Sandra) Jacques, both of Wells, Mrs. Gerald (Audrey) Dubord, Mrs. James (Patricia) Jerou, both of Escanaba, Mrs. Henry (Shirley) Rochon of Waukegon, Ill., Mrs. Kenneth (Sharon) LaVigne of Lockport, Ill., Vernetta Balthazore of Newberry and Mrs. Melford (Carol) Young of Gladstone; five brothers, Robert of Anchorage, Alaska, Donald of Wells, his twin, Warren, of London, Ohio, Patrick Koeller of Kenosha, Wis., and Daniel Duncan of Escanaba.

The body will be brought to the Degnan-Crawford Funeral Home.

\$14,966 Given In Auto Suit

A Circuit Court jury Thursday found Roger J. Viau, Old State Rd., guilty of negligence in an automobile accident of Aug. 26, 1967, and awarded damages totaling \$14,966 to Glen and Lucretia Mosier, Rte. 1, Escanaba.

Mr. and Mrs. Mosier both were injured when a pickup truck driven by Viau crashed into their car in the 300 block of S. 23rd St.

The jury awarded Glen Mosier, who was most seriously injured in the accident, damages of \$12,224.35. His wife was awarded \$2,741.73.

Verdict was returned after about two hours of deliberations. Trial of the case began Monday before Judge Bernard H. Davidson.

The plaintiffs claimed Viau was driving the pickup truck at an excessive rate of speed, lost control, crossed the center line and hit their vehicle. Viau said the accident was caused by mechanical failure in the truck.

Clair Hoehn of Gladstone represented the Mosiers. Attorney for Viau and his wife, Mary, who also was named as a defendant because she was the listed owner of the truck, was James Fitzharris of Escanaba.

The plaintiffs had asked damages totaling over \$27,000.

Sen. Morse Loses By 3,500

PORTLAND, Ore. (AP) — A recount demand seemed likely today as Sen. Wayne Morse appeared to be the loser by nearly 3,500 votes in his quest for a fifth Senate term.

Robert Packwood, 36, Portland Republican who would be the Senate's youngest member if his vote margin holds up through the final counting, made no victory claim but an aide said, "He is assuming victory."

New Postoffice Projected; City Encourages Plan

The Escanaba City Council went on record Thursday night encouraging the U.S. Post Office Department to build a new post office facility here, but said that it would have preferred the choice of a site nearer the city's downtown section.

The proposed post office building would be at 1st Ave. N. and 26th St., and the site (owned by John Walch of Escanaba) has been optioned by the government.

The present post office in the federal building at Ludington and 6th St. would be removed and the space made available for other federal agencies and offices.

On Tax Roll

Robert Matthews of the regional office of the Post Office Department, Chicago, met Thursday for several hours with members of the Council in a discussion of the proposed new building.

City Manager George Harvey reported that the Council directed attention to other possible sites but that none were suitable as to location, needed area, or availability at reasonable cost. The proposed building site must have 50,000 square feet of land.

The new post office will be constructed by a private developer and then leased to the federal government, a program that is followed generally for new Post Offices throughout the country. The property will therefore be privately owned and on the tax roll.

Hopefully, construction of the new building will be started next spring and will be ready for occupancy by the fall of 1969, it was reported.

Canvassing Board Continues Tedious Count On College

The Delta County Board of Canvassers today continued the official canvass of Tuesday's general election, but may take until next Thursday before results of the Community College election are determined.

The Board indicated that perhaps three more days of work will be required before the canvass of the college's write-in election is completed. There will be no session Monday because of the Armistice Day holiday.

Dozens of names were written by voters on the community college ballots and besides tabulating the vote the canvassing board also must determine which are valid votes.

Two trustees were to be elected to six-year terms on the college board and another was to be elected to fill a vacancy.

Dozens of names were written by voters on the community college ballots and besides tabulating the vote the canvassing board also must determine which are valid votes.

Two trustees were to be elected to six-year terms on the college board and another was to be elected to fill a vacancy.

Turn Clocks Back

Clocks will be turned back one hour in this area to conform to the time change approved in state-wide referendum, Escanaba Mayor Cecil Chase announces. Turn them back one hour (to Central Standard Time) at 2:01 a.m. Sunday, Nov. 10, to act on the official time change, he advised.

constructed by a private developer and then leased to the federal government, a program that is followed generally for new Post Offices throughout the country. The property will therefore be privately owned and on the tax roll.

Hopefully, construction of the new building will be started next spring and will be ready for occupancy by the fall of 1969, it was reported.

Ex-President Of Hillsdale Dies

YPSILANTI (AP)—Dr. Harvey Turner, former president of Hillsdale College, died in an Ypsilanti hospital Thursday at the age of 75.

Turner was president of Hillsdale from 1942 to 1952, was secretary-treasurer of the Michigan Foundation from 1952 to 1956, then became vice president and director of development for Clearly College until his retirement in 1959.

He is survived by his widow, Lucile, two sons and a daughter.

Memorial services will be held at the First Baptist Church in Ypsilanti Nov. 17.

Vallier, Kesick Enter Guilty Pleas In Circuit Court

Guilty pleas from Allen W. Kesick, 21, Perkins, and Ernest D. Vallier, 21, of 112 S. 5th St., were accepted Thursday by Judge Bernard H. Davidson in Circuit Court.

Kesick was charged with unlawfully driving away an automobile owned by Alex LaChance, Perkins, on the night of Nov. 4.

Vallier was charged with indecent exposure, also on Nov. 4, to a 16-year-old girl.

Judge Davidson set sentencing for both men at 11:30 a.m. Tuesday, Nov. 12.

Kesick was remanded to custody at the Delta County jail. Vallier posted \$500 bond.

Marine Killed

WASHINGTON (AP) — A Bloomfield Hills Marine officer was among those killed recently in fighting in Vietnam, the Defense Department announced Thursday.

He was 2nd Lt. Michael R. Rich, son of Mr. and Mrs. Robert M. Rich.

Briefly Told

The Elks Mixed Couples will bowl Saturday evening at 8 p.m.

Iron Ore Handlers Lodge 400 will meet at 7 tonight at the Eagles Club.

Malicious damage to a Delta County Road Commission bulldozer on the Gladstone bluff is under investigation by Gladstone and State Police. Officers said knobs were pulled off and sand pounded into the oil dipstick tube.

Donald R. Pilon, Rte. 2, Bark River, received a summons from State Police for improper display of license plates. Officers said the license, UN9908, was on the car upside down, making the numbers read 8066.

The Michigan Competitive Scholarship examination at Manistique High School Saturday for seniors of Manistique, Munising and Big Bay de Noc high schools will begin at 8 a.m. instead of the previously announced 9 a.m.

Marriage license applications at the County Clerk's office have been filed by the following couples: James Lester Paulin, 224 N. 20th St., and Vivian Marie Willette, 507 Superior Ave., Gladstone; Ronald Joseph Caron, 1210 N. 21st St., and Pamela Rose Terrien, 1502 Montana Ave., Gladstone; Charles Gordon Sarasin, 1408 Ludington St., and Frances Mary Wade, 810 Sheridan Rd.; Stephen Peter Phalen, 569 N. 8th St., Gladstone and Peggy Lynn McClinchy, Box 215, Rapid River; George Woodrow Wise, Wells and Dayle Ann LaMarche, Wells.

Frank Willis, Ensign, was ticketed for violation of the basic speed law, and Edward Ingebrigsen, Rte. 1, Gladstone, received a citation for failure to yield the right of way after traffic accidents Thursday, State Police reported. Willis ran off County Rd. 499 in Nahma Township and Ingebrigsen's car collided with a car driven by Louis J. Louis, 403 Montana Ave., Gladstone, at the intersection of U.S. 2 and 41 and County Rd. 426. Officers said Ingebrigsen pulled into the path of the Louis car. A passenger in Ingebrigsen's car, Bertie Swanberg, Rte. 1, Escanaba, was slightly injured, troopers said.

Take Your Choice with Electric Heat

Choose from these central systems...

Heat pump.
Provides both heating and cooling from a single unit. Can clean the air, and humidify and dehumidify, too. You select the temperature you want year-round. Set the thermostat and forget it.

Electric boiler.
Hangs neatly on a wall; heats and circulates warm water. For central cooling you may combine it with a water chiller, or install a separate cooling unit.

Electric furnace.
Circulates filtered warm air. Any time you choose you can combine it with a cents a air-conditioning (cooling) unit, humidifier and electronic air cleaner. Tucks away neatly in closet space, attic or any out-of-the-way place you may want it.

Choose from these individual room units...

Electric baseboard.
Fits neatly against the wall; can match or blend with your room decor. Permits individual temperature control in each room.

Radiant ceiling.
Electric elements are concealed in your ceilings. They provide radiant heat which, like sunshine, warms you instantly. Permits individual temperature control in each room.

Old Home or New — There's A System Just Right for You!

UPPER PENINSULA POWER COMPANY

Look For This Emblem

Be Safe With Power Tools

CHICAGO (AP)—Home do-it-yourselfers who use electrically powered tools often forget overloading circuits can be dangerous.

A power tool manufacturer says extension cords often are inadequate to do a job requiring a lot of electric power. Current-carrying capacity of extension cords depends on wire gauge and length of cord. Long, light cords overheat tools because large portable tools requiring high voltages get only low voltages through them.

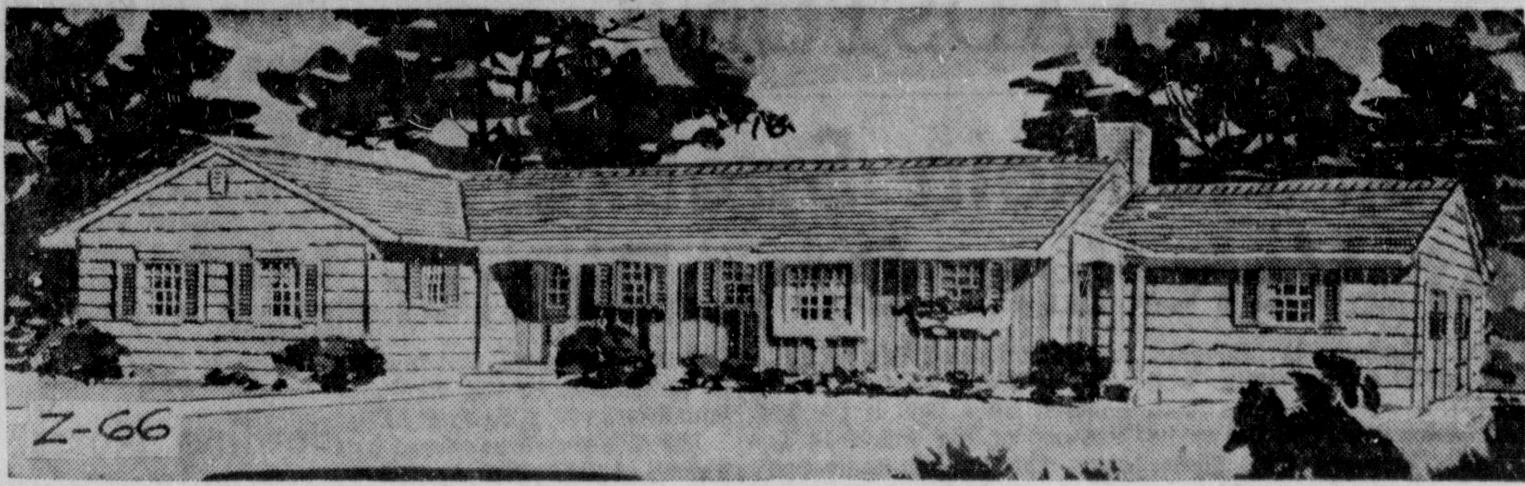

Safety measures require proper fusing, thus avoiding overloading a circuit. The two-receptacle plug can be converted to a three-pronged plug which provides proper grounding and is safer.

Other hints are: Unplug cord before fitting drills in the drill chuck. Watch your fingers when using a circular saw. If children are around, unplug a power tool when absent from a job.

Loser Wins Sheriff's Race

FLORENCE — Sheriff Lloyd Cleveland of Florence County isn't a man who gives up easily. The veteran law officer was defeated in the September primary for the Republican nomination and proceeded to run in the final election as an independent. He won.

Cleveland polled 785 votes to 617 for John D'Agostino, the man who won the Republican nomination in the primary. A third candidate, Gordon Kelley, a Democrat, received 265 votes.

FARM-LIKE RANCH: A modern version of the main living quarters of an old farm, this ranch is pleasing to the eye, with its hand-split shingles and vertical siding, covered

portico, second front entrance and all-around appearance of hospitality.

An Up-To-Date Farmhouse

By ANDY LANG

Architects in all parts of the country say there is a growing demand for houses with four bedrooms. Statistics confirm their reports. While the three-bedroom home continues to be the most popular among buyers of new dwellings, more and more persons are buying or building houses with four rooms in the bedroom wing.

Curiously, this trend has nothing to do with the existence of larger families. Based on their conversations with prospective purchasers, real estate brokers say it is part of the modern practice of permitting children to have separate rooms at a much earlier age than in the past. In much the same way, the majority of home buyers want at least two bathrooms in a house no matter what the size of the family.

The latest House of the Week, traditional in style, with a farm-

house appearance, has four bedrooms and 2½ baths. Although it has four other rooms, a sizable foyer and a laundry area, the habitable space has been kept to less than 1900 square

Z-66 STATISTICS
Design Z-66, a ranch, has a living room, dining room, family room, kitchen, dinette, foyer, four bedrooms, 2½ baths and a laundry room with a total habitable area of 1898 square feet. Two-car garage has a side entrance which could be changed to the front if space does not permit. Over-all dimensions, which include the garage, are 81' by 38' 6".

feet, no small achievement in a ranch, where all rooms are on one floor.

A covered entry provides a welcome introduction to the house. Immediately visible from the foyer is the entire length of the living room and a wide

picture window looking out on the rear garden. Housewives will love the long unbroken wall at the left because of its suitability for any type of furniture arrangement.

The adjoining dining room also has a full picture window and an unbroken wall. It is conveniently accessible to both the living room and the kitchen. The latter, with a full complement of appliances and cabinets, is at the front of the house and has an offset dinette large enough to accommodate the family during breakfast or any other meal. A boxed bay in the dinette provides natural light, and there is another window over the kitchen sink. A few steps away is the laundry complex, with a closet, lavatory and an entrance from the outside.

Architect William B. Chirgottis has placed the family room between the dining room and the garage. With a brick fireplace and sliding glass doors leading to patio and garden, this area is sure to be the focal point of many family activities.

At the opposite side of the house is the bedroom wing. Three of the four bedrooms have cross ventilation. The master bedroom includes two closets and a private bath with mirrored vanity and stall shower. The main bathroom is close to the three other bedrooms.

A partial basement with a two-car garage with storage space complete the design. This is a practical plan wrapped in a pleasing outer combination of hand-split shingles and vertical siding.

Newspaper Want Ads are a big sell! One billion, twenty-one million was spent on classified ads last year . . . more than for all magazine advertising combined and more than 300 million more than radio advertising.

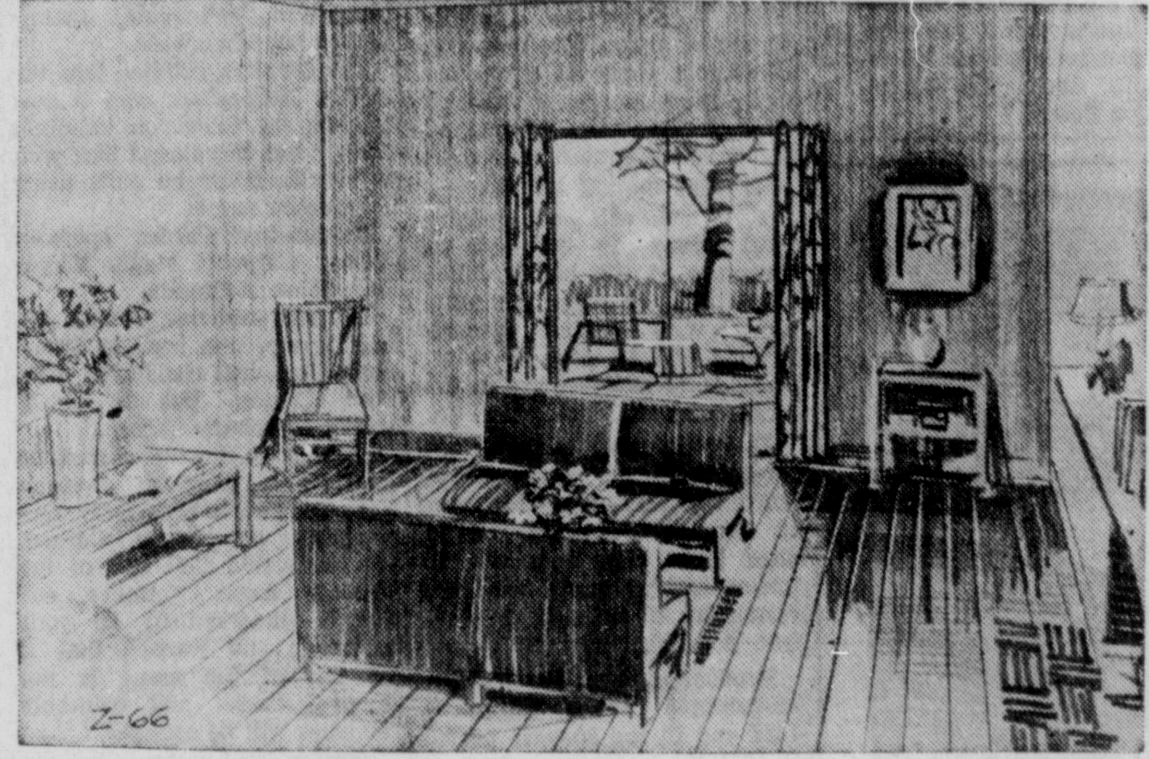

Julie Nixon To Resume Education

NORTHAMPTON, Mass. (AP) — It's back to college for Julie Nixon, 20, daughter of President-elect Richard M. Nixon.

She dropped out of Smith College, where she is a junior, this fall to join her father's election campaign.

The college announced her readmission Thursday, and said she is to report for classes Jan. 29—which should give her time to attend her father's inaugural and the celebrations which follow the Jan. 20 event.

Miss Nixon is engaged to David Eisenhower, a student at Amherst College, also in Northampton. He is the grandson of former President Dwight D. Eisenhower.

INSIDE AND OUT: Family room with sliding glass doors leading to a rear terrace provides plenty of opportunity for combining indoor and outdoor living.

Highway Fund Up By 12 Pct.

LANSING (AP)—Third quarter motor vehicle highway fund collections amounted to \$66.96 million, an increase of \$10.83 million or 11.9 per cent more than the same period last year, the State Highway Department reported.

Most of the increase is attributed to the one cent a gallon increase in the gasoline tax, which took effect last Jan. 1.

The Motor Vehicle Highway Fund includes collections from all state gasoline and diesel fuel taxes and license plate fees.

After deduction of collection costs and a share for the State Waterways Commission, 46 per cent goes to the highway department, 34 per cent to the counties and 20 per cent to the incorporated cities and villages.

The highway department will receive \$30.8 million, the counties \$22.76 million and the cities and villages \$13.39 million of the collections for July, August and September.

Younger Would Accept Post If Nixon Offers It

LOS ANGELES (AP)—Dist. Atty. Evelle Younger said Thursday he will accept an appointment as U.S. attorney general if President-elect Richard M. Nixon offers it.

But the Los Angeles city-county prosecutor said in an interview he hasn't gotten any offer and knows nothing about a report by radio station WJR in Detroit that Nixon will appoint him to the post.

"I don't imagine any public servant—and I am that—could say no to a request from the President," Younger said. Such a request would be a "command" and "I suppose I would so regard it."

Younger said he served as chairman of Nixon's advisory council on crime and law enforcement during the presidential campaign but hasn't talked to Nixon since the election.

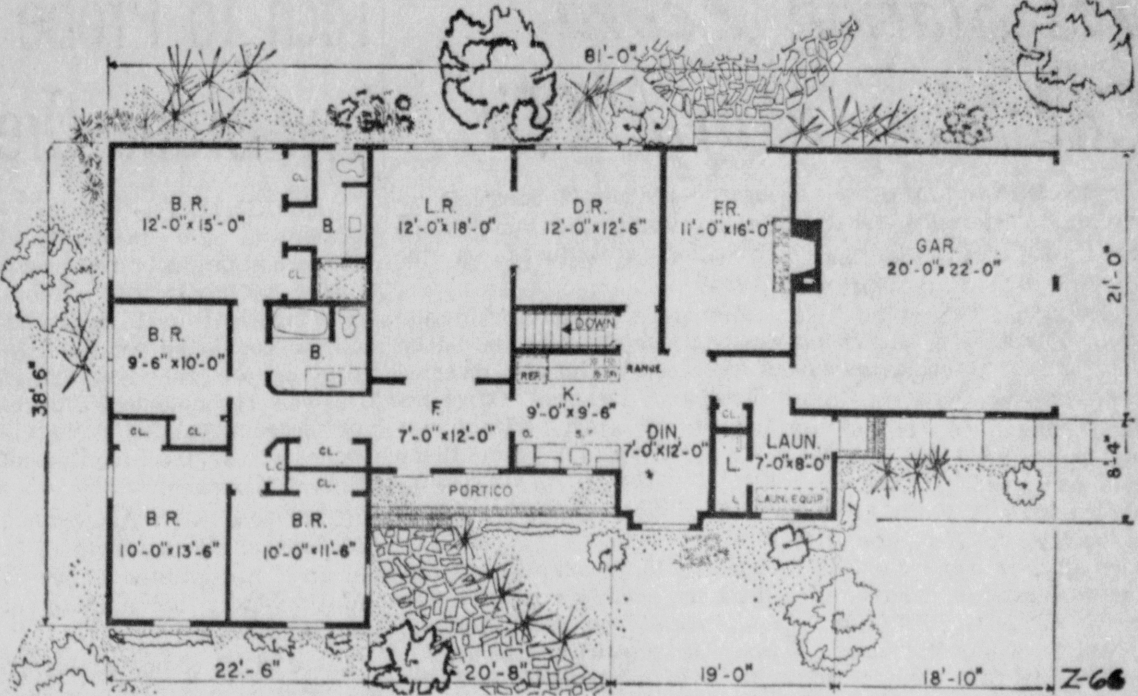

The 50-year-old prosecutor was first elected district attorney in 1964 and was re-elected in last June's primary.

He heads the largest district attorney's office in the nation and has been a municipal and superior court judge.

The Detroit station also said it had learned Michigan Gov. George Romney would be named to a cabinet post, most likely Secretary of Commerce.

In Service

Army Private Robert L. Whipple, 21, son of Mr. and Mrs. Myron O. Whipple, Rapid River, and Army Private Dennis M. Gauthier, 20, son of Mr. and Mrs. Maurice Gauthier, Schaffer, have completed eight weeks of advanced infantry training Oct. 1 at Ft. Lewis, Wash. They received specialized instruction in small unit tactics and in firing such weapons as the M-16 rifle, the M-60 machine gun and the 3.5-inch rocket launcher.

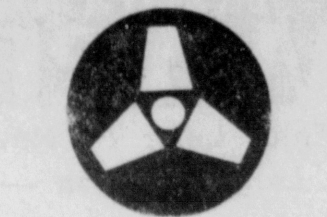

FLOOR PLANS: Housewives who prefer their kitchen at the front of the house will like this arrangement. Offset dinette is conveniently located for breakfast and other informal meals. Note auxiliary front entrance leading to laundry room, lavatory and family room.

IF YOU CAN'T FIND YOUR NEW BUILDING HERE,

VARCO-PRUDEN CAN FIND IT HERE.

You'll find many basic metal building designs in Varco-Pruden's literature. But if special demands require a custom structure, you'll find that, too—straight from a sophisticated computer that gives you low cost and fast service in a totally functional building. That's the Varco-Pruden Revolution: Total design flexibility . . . striking beauty . . . low cost . . . and quality that lasts and lasts. Write for a free brochure. If your new building isn't in it, we'll go to the computer for you.

'Ice Station Zebra' Catching Movie Hit

By BOB THOMAS
AP Movie-Television Writer

HOLLYWOOD (AP) — One of the movie hits of the thriving fall season appears to be "Ice Station Zebra," a somewhat far-fetched yet absorbing adventure of the Cold War.

The chilling epic is one of many expensive films that the studios are pushing into the nation's roadshow theaters to capture the lush holiday trade and, incidentally, to qualify for the Oscar sweepstakes. Among the others: "Funny Girl," "Finian's Rainbow," "Oliver," "Shoes of the Fisherman," "Romeo and Juliet," "The Lion in Winter," "Star!" "MacKenna's Gold," "Isadora," "Chitty Chitty Bang Bang," etc.

Not all of them will click with the critics and public, of course. But at its Hollywood premiere, "Ice Station Zebra" seemed to have that rare quality of capturing the audience's complete attention despite the imagination-stretching adventures on the screen.

That is a rare kind of film and one in which director John Sturges excels; he also directed "The Great Escape." Other examples of such adventures: "The Bridge on the River Kwai," "The Guns of Navarone," "2001: A Space Odyssey."

One of those who greatly enjoyed the premiere of "Ice Station Zebra" was Rock Hudson, who also happens to star in it.

"I have a yardstick to determine whether a picture of mine is good," he remarked afterward. "If I am conscious of my own acting, then I know that the picture isn't successful. But if I can lose myself in the story and the characters, then it's a good picture. And I did that in 'Ice Station Zebra'."

Tech To Probe Low-Grade Ore

HOUGHTON — An investigation of the feasibility of commercial production from extensive low-grade iron carbonate formations in Iron County will be conducted by the Institute of Mineral Research at Michigan Technological University according to Earl Volin, director of MTU's Institute of Mineral Research.

Keweenaw Land Association, Ltd., one of the landholders in the area, has granted \$7,500 to the University for a study of the formations.

There is an estimated billion ton reserve in a five-mile belt near Alpha having an average width of 1,000 feet. The belt is accessible to open-pit mining, is near a railroad, and the Brule River is an abundant source of water. The area contains four times as many tons and twice as many units of iron as the entire Menominee Range has produced from oxide ores since mining started.

First step will be a geophysical survey to delineate the structure of the highly folded formation. Surface sampling along with limited diamond drilling will be done to obtain samples for analyses and metallurgical testing.

If preliminary work is encouraging, more drilling will be started to outline reserves and to indicate open pit mining sites. Pilot plant test will be undertaken to study economic feasibility of making a high iron product.

Production from the Western Menominee Range began in 1882 and in the 80-year period to 1961 this area shipped about 175 million tons of ores.

Production of iron carbonate ores is unknown in the United States portion of the Lake Superior region but this type of ore has been mined from the Michipicoten Range of Ontario, Canada for 20 years.

GLADSTONE Maj. Heinlein Speaker At Veterans Day Dinner

Maj. Herman B. Heinlein, commander of the weather unit at K. I. Sawyer Air Force Base, will be the guest speaker at the annual Veterans Day dinner sponsored by August Mattson Post 71 of the American Legion Monday evening, at the newly remodeled Legion Hall.

World War I veterans will be honored since 1968 is the 50th birthday of the American Legion. The golden anniversary affords an opportunity to honor the World War I veterans in recognition and appreciation for the wonderful job done in formulating the American Legion according to Commander Charles MaKosky.

The speaker is a native of Dayton, Ohio, graduated from Dayton High School and is a graduate of Ohio State University and Penn. State University, taking a degree in Meteorology from Penn State in 1960.

He enlisted in the Air Force in 1951, attended Officers Candidate School and was commissioned in Dec. of 1953. His assignments include duty as a Nuclear Weapons Officer in New Mexico and Texas, Weather service at Penn State University; weather forecaster officer at Headquarters near London, England; Weather Detachment Commander at Whiteman AFB in Missouri; Staff Weather Officer at Okinawa, and finally as commander of the Weather Squadron at K. I. Sawyer AFB.

The dinner will be served by women of the Legion Auxiliary, Supt. of Delta Schoolcraft Board of Education, will act as Master of Ceremonies and the Rev. Philip Nancarrow, vicar of Trinity Episcopal Church, will give the invocation and benediction.

H. J. Skogquist, service officer, assisted by Mrs. Gertrude Mineau, auxiliary president, will conduct the Candle Lighting Service with Bruce Richards as the bugler.

Philip J. Deneau Dies At Hospital

Philip J. Deneau, 46, of Rapid River, died early this morning at the Veterans Hospital at Allen Park, Mich.

The Skradski Funeral Home is in charge of arrangements for the funeral, which are expected to be completed late today.

Social Ladies Auxiliary

The Ladies Auxiliary to the B. of L. F. and E. will meet at the home of Mrs. Robert Wilbee, 1220 Wisconsin Ave., Wednesday evening. The meeting will be preceded by a dinner at the Log Cabin at 6 p.m. All members planning to attend are asked to make reservations by calling GA 8-9620.

Johnny Carson Hair Salon?

OMAHA, Neb. (AP) — Omaha hairdresser Johnny Carson has asked the District Court to keep New York entertainer Johnny Carson out of his hair.

The Omaha claimed that the former Nebraska, who is now running the television "Tonight Show," has threatened him with a lawsuit unless he quits using the Carson name.

Hairdresser Carson operates Johnny Carson's Magic Mirror Hair Salon in Omaha.

The suit said that Carson, the hairdresser, was born in Mansfield, Ohio, and christened John Paul Carson, but is better known as Johnny Carson.

Wednesday, the suit stated, he received a telegram from a New York firm reportedly representing entertainer Carson. The wire said that use of the business name "implies our client's endorsement of your business" and warned that if the use of the name is not stopped, "legal and equitable remedies will be sought."

Hairdresser Carson asked the court rule he has the right to use his own name in the business and to restrain entertainer Carson from interfering with the use of the name.

Air Attack Expected From Winless Illini

ANN ARBOR (AP)—Winless Illinois may have to take to the air against seventh ranked Michigan Saturday to take the pressure off its fullbacks, even though Michigan has one of the top pass defenses in the Big Ten.

"We'd like to pass because we don't have the halfback speed outside," said Illini sports information director Charles Bellatti Thursday. "Our receivers have had problems getting open but last week against Purdue the passing attack picked up quite a bit. Quarterback Bob Naponic completed 13 out of 25 passes without having any intercepted and seven different players caught the passes."

But the Wolverines' defense should be ready. It has averaged three interceptions a game this season and picked off five last week at Northwestern.

Junior safety Tom Curtis, a converted high school quarterback, tied his own Big Ten record last week by intercepting his seventh pass. He has nabbed 15 in two seasons in all games.

Illinois coach Jim Valek said his team's attack is built around fullbacks Rich Johnson and Ken Bargo. Together they have carried for about three-fourths of

the team's total rushing. However, Bellatti said, "We've got to throw to take some of the load off those fullbacks."

J. C. Caroline, former Illini and professional football star, scouted the Wolverines and said, "Michigan is getting better as the smell of roses gets stronger."

Michigan is tied with Ohio State for the Big Ten lead. Each has a 4-0 conference record but OSU, ranked second nationally, is undefeated in seven games while U-M is 6-1. The two teams meet on the final day of the season in a game that may decide who will go to the Rose Bowl.

Both teams are favored heavily Saturday. The Buckeyes meet Wisconsin, another winless 11.

Valek is worried about Illinois' depth. "One reason the team started off slow is because our scouting squads are undermanned and we don't have enough depth," he said.

"Our kids have been adjusting to the other teams' execution but it has taken a little while each game and that may be the reason we sputtered at first." In Caroline's scouting report he said: "Michigan has a fine

running attack, good aerial game and the defense come a lot with the ball on interceptions and fumbles."

Wolverine coach Bump Elliott isn't getting overconfident because of Illinois' winless season. The Illini have had a tough schedule, losing to third ranked Kansas, Missouri, Indiana, Minnesota, Notre Dame, Ohio State and Purdue.

"When you watch them on film... you become concerned over just what they are capable of doing," he said.

Strikes-n-Spares

By MIKE UTT

Another triplicate was turned in this week as Barb Larche turned the trick this time with consecutive games of 115 in the Wednesday night league at the Elks. Her husband, Ed Larche, bowling in the Friday night league at the Elks rolled his first 600 series with games of 220, 203 and 213 for a 636. Don Scott was also over the 600 mark with games of 238, 201 and 169 for a 608 series.

X X X

This seems to be the week of oddities, as Agnes Baribeau, bowling as a sub on the Carlings Black Label team in the Tuesday Early Bird League at the Holiday Bowl, rolled consecutive games of 163, 162 and 161, and Nubs Nevala picked up the 2-10 split five times in a row Tuesday night in the P&H League at the Continental Lanes.

/ / /

Three bowlers in the City League at the Bowl-A-Rama had the hot hand Monday night as Ernie Baribeau turned in games of 257, 180 and 182 for a 619 series, Red Holmes had a 235 game and Mickey Olsen rolled games of 168, 208 and 229 for a 605 series.

X X X

Billy Schinzel is at it again. This time Billy rolled a 691 series with games of 202, 234 and 255 in the American League Wednesday night at the Bowl-A-Rama Lanes. The same night in the Major League, Ken Smith had a 244, Jim Moyle rolled a 230 and Ernie Vanlerberghe had a 223 game.

/ / /

LaVerne Paul and Arlene Jerow made the news last Thursday night at the Bowl-A-Rama by reaching the 200 mark. LaVerne had a 220 game in her 580 series and Arlene got a 203 game.

X X X

Some unusual split pickups this past week were made at the Bowl-A-Rama Lanes. Lorraine Hemminger picked up the 4-7-9, Priscilla Rousseau, the 2-8-10 and Skip Shomin, the 3-6-7-8.

/ / /

High games and series: Ted Besaw, 262, 610; Ellie Hazen, 232; Bill Bitner, 237; Walt Anderson, 632; Ray Raymond, 609; John Norman, 243; Dave Johnson, 601; Dave Friets, 601; Wally Flath, 606 and Bill Langrick, 231.

X X X

Split Pickers: Len Boudreau, Tom Mackie, Phil Sarasin, Marian Kidd, Thelma Cousineau, Millie Olsen, Pat Johnson, Ethel Manske, Loretta Olson, Benlah Groos, Irene Solis, Mary Hupy, Sherrie Schuren, Flossie Poquette, Eleanor Pulitz, Lori DeMars, Mary Beauchamp, Gert Cook, Helen Johnson, Joanne Karasti, Evelyn LaVallie, Dorothy Carlton, Esther Dagenais, Lynn Thompson, Sheila DeGrand, Bette Lewis and Aggie Baribeau.

/ / /

Bowlers in the Black Thursday League at the Continental Lanes found the alleys to their liking on their league night. Dave Friets rolled games of 210, 206 and 256 for a 672 series; John Gardner had games of 211, 204 and 214 for 629; Carl Foti had a 216 game and Gary Cyr rolled a 201. The Continental team had games of 931, 906 and 822 for a 2659 series and the Northern Motor team had a 957 game.

Blues' Center Earns Spot In Record Book

Red Berenson scored the first three-goal hat trick of his National Hockey League career Thursday night and he liked the feeling so much that he went right back out and scored the second one.

The six-goal night earned a spot in the record book for Berenson, who led St. Louis to an 8-0 romp over Philadelphia. Until last season, the tall center was a most unlikely hero.

Berenson had managed a total

of 14 goals in 166 NHL games before being traded to the expansionist Blues last year. He responded with a 22-goal season and was named Most Valuable Player of the NHL's new West Division.

He had three goals this season before Thursday's explosion. "Tonight," he said later, "was just like planting trees. Some years you plant 12 and five or six grow. And some years, they all come up."

They almost all came up against the Flyers. Berenson missed his first shot and then scored on each of his next five against goalie Doug Favell. He had one goal in the first period, four in the second and one in the third.

Berenson's flurry tied two NHL records. His four second period goals tied the mark for a single period set by Harvey "Busher" Jackson of the Toronto Maple Leafs in 1934 and tied by Max Bentley of the Chicago Black Hawks in 1943.

The six goals for the game tied the modern NHL mark set by Syd Howe of the Detroit Red Wings in 1944.

In Thursday's other games, Montreal got past Pittsburgh 5-4 and Detroit rapped Minnesota 5-2.

Bobby Rousseau, shut out in Montreal's first 10 games, exploded for three goals including the game-winner against the Penguins. Rousseau also had two assists and Henri Richard scored once and picked up four assists for the Canadiens.

Gene Ubriaco hit twice for Pittsburgh, which held a 3-1 lead before three Montreal goals inside of 6 1/2 minutes erased the edge late in the second period.

Alex Delvecchio scored twice as Detroit bombed Minnesota. Gordie Howe assisted on Delvecchio's first goal for his 1,600th regular season career point. Howe sat out most of the last two periods, resting an aching back.

Negro Players Boycott Teams

SAN FRANCISCO (AP)—Ten Negro football players on San Francisco State College's varsity and freshman teams say they will refuse to play this weekend because of racial turmoil on the college campus.

A spokesman for the players said Thursday they are supporting the strike called Wednesday by the college's Black Students Union to protest the recent suspension of Black Panther member George Murray, a student and part-time instructor.

Coach Vic Rowan said the striking athletes have voiced no complaints against the college's athletic program and that their action is solely in support of the strike, which has failed to gain any widespread student support.

Red Wings Charged Up; Bump North Stars, 5-2

DETROIT (AP)—The Detroit Red Wings continue to skate as if really on wings and their opponents by comparison appear to have double-runner training blades.

The result has been four victories and one tie in the Wings' last six games to give them 11 points for the season, five behind the National Hockey League's Eastern Division leader Boston.

"I'm real happy with them," said Coach Bill Gadsby after the Wings beat the Minnesota North Stars 5-2 Thursday night.

"I'm happy with the way

they've been skating—that's the whole game too," he added.

"They've been real good in their last two or three games." Alex Delvecchio led the Wing attack Thursday with two goals. Single goals came off the sticks of Bruce MacGregor, Dean Prentice and Frank Mahovich as Detroit kept play inside Minnesota's blue line most of the game and finished with 41 shots at goalie Cesare Maniago.

The North Stars managed only 25 shots at Wing goalie Roger Crozier, two of which flew by him for scores. The first put Minnesota ahead after only 1:32 of the first period off the stick of Danny Grant. Bill Goldsworthy added a goal at 15:32 of the final period after Detroit had a comfortable 4-1 lead.

It was a milestone game for both Prentice and veteran right wing Gordie Howe. Prentice became the 14th player in NHL history to play 1,000 games and Howe, assisting in Delvecchio's initial, first-period goal,

got his 1,600th regular season point.

Howe, 40, skated only briefly in the second period. He finished the game in the dressing room with ice packs on his back. An injury in Wednesday's 6-5 victory at Chicago against the Black Hawks apparently stiffened during Thursday's game.

"I never breathed from the time I got hurt to the time I left the ice (Wednesday)," Howe said. "I felt it as soon as I got on the ice today."

The loss was the second straight for the North Stars' new coach John Muckler, appointed Monday. Detroit and Minnesota have a rematch in Minnesota Saturday night.

Gadsby said he didn't know if Howe would be available. Howe was scheduled for x-rays today and Gadsby said he hoped there were no ribs broken.

The coach said he didn't know who would replace Howe on the line with Delvecchio and Frank Mahovich.

"I'll have to sleep on it," Gadsby said.

Northern Ends Season At Southern Illinois

MARQUETTE — Northern Illinois (5-3) closes out the 1968 grid season Saturday afternoon in a familiar rite, away from home against Southern Illinois (3-3).

Game time is 1:30 p.m. CST at McAndrew Stadium in Carbondale, Ill.

The Wildcats, already assured of their 13th consecutive winning season, will be after victory number six, and will be attempting to avoid a 3rd straight loss, something which hasn't happened to a Northern team in 10 years.

Head coach Rollie Dotsch will take a 39-man travel squad to SIU, where he will again depend on a running attack and a scrambling defense to pull the Wildcats through.

"We got 224 yards rushing against Tampa last week," says Dotsch, "so we might just as well keep on doing what we do the best. We'll throw some action passes, but seldom will we line up wide and throw deep."

"Defensively, it's up to the scramblers again. Our 4-4 stack defense did the job adequately at Tampa, so we'll stick with it again Saturday."

Northern's personnel report at mid-week was not encouraging. Linebacker Arlen Bell, split end Mike Bee and fullback Geoff Sitkoski are all nursing wounds, while tackles Jerry Lutri and Tom Watson and end Guy Kangas were fighting the flu bug.

"Right now we expect to be at full strength," says Dotsch, "but by that I mean we'll have a few boys playing on courage."

Southern Illinois, after opening

losses to Louisville, 33-10, and Tulsa, 20-3, has won three of its last four. Victories were over Lamar Tech 24-7, Dayton 18-17, and Drake 21-20, before bowing in an upset at the hands of Youngtown, 18-15, last week.

"They're another ball club that started slow but that has shown great improvement," Dotsch points out. "This is our sixth road game of the season, so we expect we'll have to fight all the way."

Northern's running game will again be led by Little All-America Lonnie Holton, whose career rushing mark of 1,706 yards is an all-time NMU record.

The passing attack will be controlled by quarterback Rich McCarthy who is within reach of records for completions, attempts and total yards in one season.

Navy Seeking Ivy League Contests

BALTIMORE (AP) — The U.S. Naval Academy is looking toward a return to Ivy League competition to give its sagging football fortunes a boost, the Baltimore Sun said Thursday.

Navy already has football commitments into the 1970s, and Ivy League teams can schedule only three years in the future, so immediate competition is not likely.

Since posting a 9-1 football record in 1963, Navy has won 17, lost 26 and tied four. The Midies are 1-6 this season, beating only Pitt 17-16.

Southern Cal Battles Determined California

By The Associated Press

Southern California, with a bit of tarnish on its No. 1 reputation, faces a stern threat this weekend of having it completely blackened.

The Trojans, whose advantage over Ohio State in The Associated Press poll has been shaved to a paper thin edge, square off against defensive-minded California Saturday in a match that will probably not only determine one of the Rose Bowl participants but also the national champion.

Sensational O. J. Simpson was held to 67 yards and Southern Cal needed a touchdown with just 1:13 left last week to squeal unheralded Oregon State 20-13 for its sixth straight.

Since Ohio State, also 6-0, is an overwhelming favorite against hapless Wisconsin, 1-6, Saturday, the Trojans undoubtedly will have to be impressive to maintain their hold on the top spot.

And, they will have to do it against a stingy defense. California, ranked No. 11, has permitted only 39 points in rolling to a 5-1 record.

While Ohio State should have an easy time of it, No. 3 Kansas and No. 4 Penn State—both

eyeing Orange Bowl bids—face strong foes in their efforts to remain unbeaten.

Kansas, fresh from a 27-14 coast past Colorado for seventh straight, plays host to stubborn Oklahoma, 3-3, and Penn State, 6-0, which survived a late rally to subdue Army 28-24, entertains erratic but strong Miami, Fla., 5-2.

No. 5 Tennessee, 5-0-1, tackles No. 18 Auburn, 5-2, in the second of a big day-night doubleheader involving two important Southeast Conference games at Birmingham, Ala. No. 20 Louisiana State meets Alabama in the afternoon game.

No. 6 Purdue travels to Minnesota for a Big Ten game that will be nationally televised.

No. 7 Michigan draws lowly Illinois, No. 8 Missouri plays Iowa State, No. 9 Georgia meets Florida at Jacksonville and No. 10 Texas travels to Baylor.

In other games, No. 12 Notre Dame plays host to Pittsburgh, No. 13 Houston has a night game at Memphis State, No. 14 Arkansas faces Rice, No. 15 Oregon State meets UCLA, No. 16 and unbeaten Ohio University is at Bowling Green, No. 17 Michigan State tests Indiana and No. 19 Wyoming is idle.

McLain Begins Symphony Tour

SYRACUSE, N. Y. (AP) — Dennis McLain, 31-game winner for the world champion Detroit Tigers and the American League's Most Valuable Player, will make his first symphony appearance Dec. 22 here.

McLain, an accomplished organist, had appeared in nightclubs and on television with his own musical group but never has performed publicly with a symphony orchestra.

McLain will play with the Syracuse Symphony at Memorial Auditorium, it was announced Thursday.

SPORTSQUIZ presented by THE CHRISTIAN BROTHERS BRANDY

Q. Wilt Chamberlain holds the record for the most points ever scored in an N.B.A. season. Up until Wilt came on the scene, who held the record?

A. Bob Pettit, St. Louis, racked up 2,105 in the '58-'59 season. Wilt's record was almost double that, 4,029 in '61-'62.

Q. Who is the undisputed leader in American brandy sales? A. The Christian Brothers. Every third time American brandy is poured, it is The Christian Brothers Brandy. THE MASTERFUL BRANDY by The Christian Brothers

Colts' Tackle Caught Asleep

BALTIMORE (AP) — Where was Billy Ray Smith when the lights went out? In the training room, taking a nap.

When the veteran defensive tackle of the Baltimore Colts awoke, about 7 p.m. Thursday, the team's dressing room was dark and the doors were locked.

Smith telephoned trainer Eddie Block, who lives nearby, for some post-practice assistance.

"After practice ended about 4:30," Block said, "Billy Ray took a sauna bath and then had a massage before taking a nap on the training table. When I left about 5 o'clock, I told the clubhouse man to wake him up before leaving."

"Billy Ray is usually the most exuberant man on the team," Block said, "But when he called he sounded so meek and woe-begone."

"He started out asking me how I felt, and talked about some other things. Finally, he said he had something to tell me."

"I asked what, and Billy Ray said: 'I'm locked up in the stadium.'"

Smith had been at Memorial Stadium since about 10:30 a.m., for meetings and practice in preparation for Sunday's National Football League game.

"I laughed all the way home," Block said. "But I don't think Billy Ray did."

Tennessee Squad Kneels In Prayer

KNOXVILLE, Tenn. (AP) — Led by Coach Doug Dickey, the Tennessee football squad knelt on the practice field Wednesday and prayed for the recovery of John Chrestman, UCLA's injured football player.

Chrestman

Hearing Slated At Fireside On Insurance Rates

The third public hearing relative to workman's compensation insurance rates for the forest products industry will be held Monday at 1:30 p. m. at the Fireside Inn east of Manistique.

Sen. Oscar E. Bousman, chairman of the Senate Committee on Labor, will preside at the hearing. Several other legislators also are expected to attend.

First hearing in the series was held in Escanaba about a month ago. The second hearing was held recently in northern Lower Michigan.

Motorbike Clashes With Automobile

Terrance Schulze, 16, 317 Lake St., received emergency treatment at the Schoolcraft Memorial Hospital Wednesday night after he was involved in a motorbike accident on S. Cedar St. A car driven by Orville Bizeau of Gladstone pulled out of the parking lane and struck Schulze who was operating his motorbike at about 9:50 p. m. Minor damage was reported to the motorbike by Public Safety officers who investigated. No tickets were issued.

Public safety officers also report that a car driven by Angus McDonald, 224 N. Third St., struck a parked car owned by Mrs. Hazel LaMontagne, 800 Arbutus Ave., on South Cedar St. at 11:30 Wednesday morning. The LaMontagne vehicle sustained minor damage. No tickets were issued.

In Service

Army Private Earl O. Hamiel, 19, son of Mr. and Mrs. Earl H. Hamiel, Gulliver; Army Private William J. Ozanich, 19, son of Mr. and Mrs. John J. Ozanich, 163 N. Maple St., Manistique; and Army Private Larry G. Schnurer, 20, son of Mr. and Mrs. Gale Schnurer, Manistique Rte. 1, have completed eight weeks of advanced infantry training Oct. 11 at Ft. Lewis, Wash. They received specialized instruction in small unit tactics and in firing such weapons as the M-16 rifle, the M-60 machine gun and the 3.5-inch rocket launcher.

Church Events

St. Martin's Circle
Mrs. John Matthews, Indian Lake, with Mrs. Ellsworth Davenport assisting hostess, entertained St. Martin's Circle Tuesday evening at her home. Plans were made for the Parish bake sale on Nov. 22 and a Christmas party. Mrs. Dorothy Conlin won the bridge prize, Mrs. Tom Smith, canasta prize and Mrs. Conrad Jahn, cribbage award, in the social hour that followed the business meeting. Mrs. Eva Besner won a special award. Mrs. Conlin was a guest of the Circle.

Our Lady of Fatima Circle
Mrs. Richard Ketchik was hostess to Fatima Circle on Wednesday evening at her home, 145 New Delta Ave. with Mrs. Art Fountain Sr. co-hostess. A Christmas dinner was planned for December 4 at the Fireside. Mrs. Jules Rivard and Mrs. Eileen Nelson won special awards.

Briefly Told
Mrs. William Gentz, 631 Garden Ave., reports that she picked a bouquet of eight roses from her garden on Tuesday. Mrs. Gentz picked one red and seven pink roses from two bushes (common rose variety) which are in their third blooming.

Job's Daughters, Bethel 69, will meet at 7 p. m. Tuesday, Nov. 12 at Masonic Temple for a regular meeting and initiation.

United Methodist Church will sponsor a Fall Festival and bake sale Saturday from 1-5 p. m. Tea will be served.

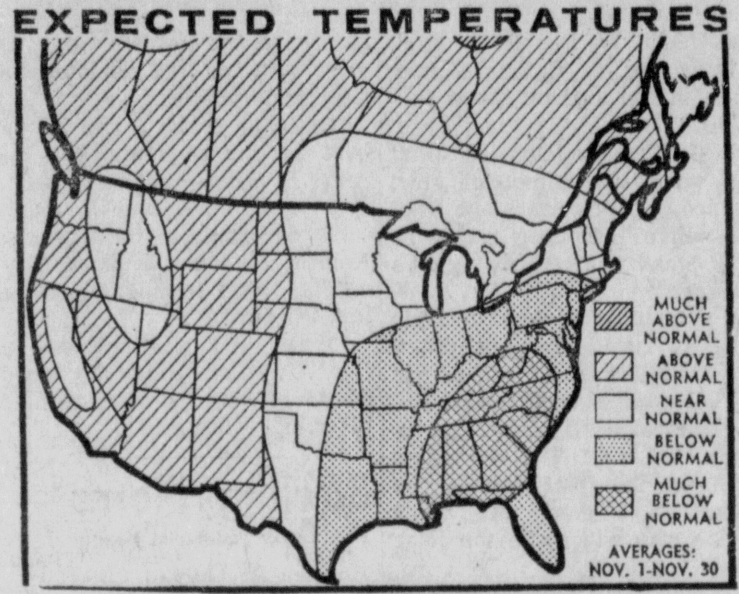

Manistique was cited for careless driving and failure to report a property damage accident by State Police on Wednesday after he lost control of his auto and it rolled over on M-149 in Thompson Township. The mishap occurred at 3 p. m. Wednesday. Frock was taken to Schoolcraft Memorial Hospital by Public Safety ambulance at 7 p. m. Wednesday for treatment of injuries received in the mishap.

Menominee: Some very good catches have been reported from the lower portion of the

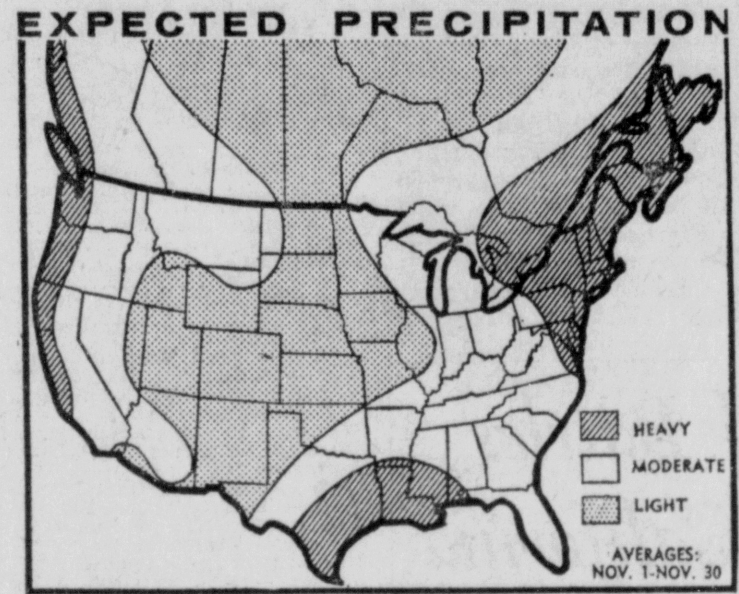

MANISTIQUE

NIPPY NOVEMBER

Maps show Weather Bureau's forecast of average temperature, precipitation for period thru November 30.

Temperatures are expected to average below normal over the southeastern third of the nation with above normal in the western half of the country.

Above-normal precipitation is forecast along the West Coast, the west and central Gulf Coast and over much of the north-eastern part of the country.

Ducks, Grouse Poor; Fishing At Low Ebb

Weather conditions have been very erratic for the past week — interspersed with moderate and warm to cold and raw with some rain and snow. (6 to 8 inches of snow fell in north central Chippewa County last Wednesday.)

Duck hunting has been poor, grouse hunting poor to fair (fair in northern Schoolcraft and eastern Alger counties). Coot hunting is good on Millecoquin and McDonald lakes.

Fishing in general is at a rather low ebb for the season. The "goof box" with its Saturday and Sunday football games is taking a toll of the fair weather hunters and fishermen.

For those that would brave the pre-winter elements of nature — nature in return would provide some good fishing. This is the time of year when fish are on the prowl for a full stomach before the rigors of winter set in.

"Steelhead" (Rainbow) Trout: Some nice fish are reported taken in East and West Bays near Grand Marais, Alger County; in the Soo Power Canal and at the mouth of Pendills Creek, Chippewa County; the mouth of Two Hearted River and Camp 8 Lake, Luce County; Pine and Carp and Black rivers, Mackinac County; Thompson Bay, Manistique River (below dam) and Clear Lake, Schoolcraft County.

Brown Trout: A few nice fish are taken at the mouth of Pendills Creek, Chippewa County; Long Lake, Luce County.

Splake: Good catches in Pretty and Benny lakes, Luce County and Dutch Fred Lake, Schoolcraft County.

Coho (Silver) Salmon: A few fish still taken in Thompson Bay, Schoolcraft County and an occasional fish in Pendills Bay, Chippewa County and West Bay, Alger County.

Menominee: Some very good catches have been reported from the lower portion of the

Rollover Injures Richard Frock

Richard Frock, 51, Rte. 1, Manistique was cited for careless driving and failure to report a property damage accident by State Police on Wednesday after he lost control of his auto and it rolled over on M-149 in Thompson Township. The mishap occurred at 3 p. m. Wednesday. Frock was taken to Schoolcraft Memorial Hospital by Public Safety ambulance at 7 p. m. Wednesday for treatment of injuries received in the mishap.

Hospital

Admitted to Schoolcraft Memorial Hospital were Carl Sundling, Mae Kiddier, Clara Fissette, Barbara Brazeau, Ann Miller, Donita Platt, Danalles Henry, Luella Smith, Mildred Jackson, Mary O'Brien, George Brown, Maria Jernudd, James Stellwagon, Lorraine Flynn, Russell LaFleur, Diane Paradise, Rachel McAlpine, Nina Stone, Lester LaBumbard, Edith Anderson, Patricia Davidson, Charles Gauthier, Edgar Smith, Beverly Gilland, Esther Leveille, Lois Elmmernan, Douglas Martin, Henry DeSautel, Dorothy Vaughn, Mabel Sears, Carol Anderson and William Britz.

Discharged were the following: Eleanor MacGregor, Walter Moon, Harold DeShetler, Joe Vallier, Carroll Tatrow, Matt Strom, Allen Lenny, Alfred Rushford, Patry Rodgers, Dora Walker, Helen Havlichek, Renee Manspeaker, Sharon Smith, Carl Sundling, Effie Ferguson, Hannah Swanson, Diane Paradise, Donell Henry, Jake Laverty, Lois Elmmernan, Ervin Bremer, Albert Eackman, Barbara Brazeau and baby, Douglas Martin, Andrey Morrison, Frances

Books Donated As Memorials

"No Other Way" by Herbert L. Schrader has been presented to the Manistique School and Public Library as a memorial to the late Mrs. Donald (Patricia) Carlson by a friend of the family.

"No Other Way" is the true story of an East German surgeon's planned escape to the West and the dilemma facing the doctor: a choice between his duty and the dictates of a conscience.

"This Century of Science" by Watson Davis, a memorial to the late Mary Becks, is a record of man's great scientific and technical achievements in the 20th century.

Both books have been processed and are now available for circulation, according to Mrs. Earl H. LeBrasseur, acting librarian.

Kidnaped Woman Out Of Hospital

KALAMAZOO (AP) — Mrs. Sally Heaton, a housewife who was found staggering in a field with two gunshot wounds Oct. 23, was released from a suburban Chicago hospital Thursday and returned to Michigan.

Mrs. Heaton, 31, was driven from Northwest Community Hospital to her home in Mattawan, Mich., by private ambulance, police said.

She was taken to Kalamazoo where she was admitted to a hospital for further observation.

Shortly after a motorist found her in the field near Arlington Heights she told police that her assailants were two men she met in a Kalamazoo tavern the night before, authorities said.

She was shot once in the head and once in the hand and was in critical condition for more than a week. But her condition is much improved, police said.

Two Battle Creek, Mich., men, Denis Pearson, 26, and Nelson Weaver, 28, have been charged with attempted murder in the case.

Twin Tylomys Received At MSU

EAST LANSING (AP) —Twin Tylomys—the first ever born in captivity—arrived this week at Michigan State University.

Tylomys are creatures the university describes as "large, naked-tailed jungle rats" native to Central America.

"Very little is known about the tropical rats," reported Dr. Rollin Baker, director of the MSU museum. "No one has ever really studied them before."

Baker headed a team of MSU zoologists that captured the Tylomys in southern Mexico during the past summer.

"We think their chief natural food is fruit which they find in trees and shrubs," Baker said.

"In the laboratory, we have found that they have a marked preference for fruit."

Baker said Dr. Warren Hoag, director of the MSU center for laboratory animal resources, is interested in the use of Tylomys for research.

Births

BRAZEAU — Mr. and Mrs. Elmer Brazeau, 429 Center St., are the parents of a boy born Saturday, Nov. 2 at Schoolcraft Memorial Hospital and weighing ten pounds, three and a half ounces. The mother is the former Barbara Zimmermann.

FLATT — Mr. and Mrs. Wayne Platt, Gould City, are the parents of a boy born Saturday, Nov. 2 at Schoolcraft Memorial Hospital and weighing eight pounds, fifteen ounces. The mother is the former Donita Clark.

ARBITRATED DISPUTE

William I, emperor of Germany, once arbitrated a dispute between the United States and Great Britain. The dispute was about the ownership of the island of San Juan. He decided the island should belong to the state of Washington.

GILBERT D. MATSON, DARLENE J. MATSON, ARTHUR MATSON and NORMA MATSON, Plaintiffs,
vs.
CHARLES W. KATES, JOHN KATES, O. W. KATES, Unknown Claimants, Unknown Owners, Unknown Heirs, Devisees, Legatees and Assigns of said Persons, Defendants.

ORDER TO ANSWER
On the 3rd day of October, 1968, an action was filed by Plaintiff against the Defendants, in this Court to secure a Judgment to Determine Title to Land said land is situated in said County.

IT IS HEREBY ORDERED, that the Defendants shall take answer or take such other action that may be permitted by law on or before the 3rd day of January, 1969. Failure to comply with this order will result in a Judgment by Default against the Defendants, their unknown heirs, devisees, legatees, successors, and assigns, for the relief demanded in the Complaint, filed in this Court.

H. DAVIDSON
Circuit Judge

Dated: October 16, 1968
Take notice that this suit in which the foregoing Order was made, involves an action to determine title of the following described land situate and being in the Township of Ford River, County of Delta, State of Michigan, and described as follows:

Commencing at the Northwest corner of Government Lot Six (6), Section Thirty-one (31), Township Thirty-eight (38), Range Twenty-two (22), West and running East along the line between Lots 5 and 6 of said Section 31, 132.5 feet to a point on the Southeastly line of the right-of-way of the State Highway M-35 (formerly known as Old State Road); thence South 38° 30' West 446 feet; thence South 60° 10' West 134.25 feet to the place of beginning; thence continuing South 60° 10' West 100 feet to the Southeastly line of the right-of-way of the State Highway M-35 (formerly known as Old State Road); thence South 38° 30' West 446 feet; thence North 60° 10' West 134.25 feet to the place of beginning, being also known as Lot 30 of Supervisor's Plat No. 123, beginning at the corner common to Lots 29 and 20 of Supervisor's Plat No. 1 in Ford River Township, Delta County, Michigan, EXCEPTING THE FOLLOWING DESCRIBED PIECE OF LAND, beginning at the corner common to Lots 29 and 20 of Supervisor's Plat No. 1 in Ford River Township, Delta County, Michigan, and on the Southern right-of-way line of Highway M-35; thence South 60° 10' West along said right-of-way, 134.25 feet to the point of beginning; said point being the corner common to Lots 29 and 30 of Supervisor's Plat No. 1 in Ford River Township, Delta County, Michigan, and on the Southern right-of-way line of Highway M-35; thence South 60° 10' West 134.25 feet to the place of beginning; thence North 60° 10' West 134.25 feet to the point of beginning.

It's not too early! LAYAWAY

Czechs Continue Cold Treatment Of Russians

PRAGUE (AP) — Out at the edge of Prague, where the streetcar lines end and the paved streets change into muddy lanes, Czechs have been pursuing peaceful but not friendly coexistence with some unwelcome neighbors—Soviet occupation troops.

Some of the Russians who invaded the capital in August and later moved to the suburbs are in the process of dismantling their tents and packing up to leave the country or to move into winter barracks elsewhere.

Their two months at the edge of town have passed with almost no incidents and surprisingly little contact with their Czech neighbors.

Day after day, families walk past Russian sentries or details drawing water from neighborhood pumps and silently stare straight through them as if they did not exist.

Once they reach the privacy of their homes, the Czechs become talkative. A few adventurous Czech youths who speak Russian have made contact with the young Russian soldiers and everything they report is thoroughly mulled over by the neighborhood folks.

"Why they haven't slept in beds since last spring. They were already moving around our borders in June. But when they got here they thought they were in West Berlin," reported one teen-age student who conversed with the Russians in their language.

His friend said, "The Russian soldiers, as opposed to the Mongolians and Armenians among the troops, are really sad. They would like to make friends, but now they realize it is no use, that the Czechs hate them."

Riot Shooting Results In Suit

PONTIAC (AP) — A \$1.5-million suit was filed today against Rep. Arthur J. Law, D-Pontiac, as a result of the fatal shooting of an 18-year-old boy during the 1967 riot in Pontiac.

The suit was filed in Oakland County Circuit Court by Yvonne Gray of Pontiac, mother of the victim, Alfred Taylor. It charges that Law fired a shotgun into a crowd of youths in front of a supermarket he owned "with utter disregard of consequences."

Mrs. Gray's attorney, Wallace McLay, said Law's son, Charles, and his wife, Nema, are named as codefendants because they are partners in the store which is located in a Negro area on Pontiac's extreme South Side.

The store has been closed since the shooting incident July 25, 1967.

At the time of the shooting Law was quoted as saying he began to shoot after a trash can was thrown through the store window.

Burglary charges against three Negro teen-agers who were with the Taylor youth were dropped for lack of evidence. The shooting was ruled justifiable homicide by the Oakland County prosecutor's office.

Law, who is white, was re-elected Tuesday to a sixth consecutive term in the House.

Key Biscayne Likely Little White House

KEY BISCAYNE, Fla. (AP) — Only minutes had passed since he was declared the president-elect of the United States, but already Richard M. Nixon was packing his bags. He was leaving New York right away, he said, for Key Biscayne in Florida.

For 17 years, this tight little tropic island has been Nixon's

favorite hideaway—the place where he always comes to celebrate the victories and contemplate the setbacks of an up-and-down political career.

And, unless all signs fail, it will for the next four years be the site of the nation's "Little White House."

During his numerous visits here, Nixon has stayed at the Key Biscayne villas, on grounds of the Key Biscayne Hotel; at the home of C. G. (Bebe) Rebozo, a long-time friend, and at the home of Sen. George A. Smathers, D-Fla., adjacent to the Rebozo home.

It was here that Nixon came in despair in 1960, to lick the wounds of his narrow defeat by President John F. Kennedy. It is here that Kennedy sought him out and, in a dramatic meeting, accepted his congratulations.

It was here that Nixon went into seclusion to draft plans for the final two-week blitz campaign that enabled him to stave off the late rush of Vice President Hubert H. Humphrey. And it was here that he returned Wednesday night in the moment of his greatest triumph.

Key Biscayne is a palm-studded beauty spot where peace and solitude can be found only 15 minutes by car from the bright lights of Miami.

There is a legend that Ponce de Leon went ashore on the island in 1513 and named it Santa Maria. Certainly it was used by the buccaneers preying on the treasure ships of the Spanish main. A red brick lighthouse still standing on the beach was erected in 1825 to foil the wreckers who lured ships onto the offshore reefs and stripped them bare.

Bridge Employees Stage Walkout

DETROIT (AP) — Employees of the Detroit International Bridge Co. walked off their jobs at the Ambassador Bridge Thursday in a contract dispute.

The 32 workers are members of Teamsters Local 299 and are employed as toll collectors, traffic guards, maintenance men and janitors.

The strike started at 1:15 p.m. after a meeting between union and company representatives failed to reach an agreement.

Roy Lancaster, president of Detroit International Bridge Co., said supervisory personnel would operate and maintain the bridge during the strike.

Issue Teacher Contracts After Bargaining; Board

LANSING (AP) — A State Labor Mediation Board trial examiner has ruled it is illegal for school districts to issue teacher contracts prior to the conclusion of collective bargaining.

Ruling on charges brought by the Bullock Creek chapter of the Michigan Education Association, James McCormick held that a board of education violates the public employment relations act and commits an unfair labor practice by the very act of offering salary contracts to individual teachers while negotiations are pending with the teacher association.

"I conclude that the district's legitimate interest in determining as early in the year as possible how many new teachers will have to be employed is no legal excuse for circumventing the determination of wages by collective bargaining," McCormick said.

Student Workers Strike At NMU

MARQUETTE (AP) — Some 70 students employed in two Northern Michigan University student dining halls staged a wildcat strike Wednesday night to support demands for higher wages.

A spokesman for the university said the students were demanding an increase in their \$1.25 an hour wage to \$1.60 an hour.

About 1,000 students are employees in the dining halls.

John Jamrich, university president, said in a letter to the students that it was not a matter that could be answered almost immediately as requested.

Jamrich said he was requesting the office of business and finance and the student affairs committee to meet with representatives of the students to discuss facts about wages, needed adjustment which should be made and possible sources of funds to enable the university to provide such increases as seemed appropriate.

"I want to reemphasize the fact that the university, through established channels, will consider and act appropriately on this request," Jamrich said. "Your sense of responsibility in this matter is essential if we are to improve the situation without jeopardizing the entire student employment concept."

Safety Award

EAST LANSING (AP) — Michigan State University has been granted its third conservative award of honor from the National Safety Council's national college and university safety awards program. The award cites the MSU safety record in occupational accident prevention and control. During the 1967-68 fiscal year, MSU's accident severity rate was only one-tenth of the average national rate for major industries.
